

Blackboard Vista System Requirements:

- Processor Speed - Pentium III Class or better
- Operating System - Windows XP, Mac OSX
- Hard Drive Size - 30 GB or more
- RAM - 512MB
- Ethernet Card - 10 Base-T or 10/100 Base-T
- Software - Microsoft Word, Microsoft PowerPoint, Microsoft Excel
- Plugins - Macromedia Flash, Adobe Reader, Java 1.4.2 or above

Browser Recommendations:

- On Windows XP
 - Firefox 2, Internet Explorer 6 or higher
- On Windows Vista
 - Internet Explorer 7
- On Mac
 - Firefox 2
 - Please note that according to Blackboard's Supported Browser site (http://www.webct.com/tuneup/viewpage?name=tuneup_browsers_vista42_ce62), Blackboard has not listed the latest versions of the Safari browser. Firefox 2 is listed on the site as "not tested" by Blackboard; however, testing internal to IT has confirmed functionality.

Additional Recommended equipment

- Flash or other portable drive to backup and download material
