## ▪ Following Your Conference

- ⇒ At the conclusion of your conference, the Office of Conference Services will send a master bill itemizing all costs, i.e. housing, meals, chargeable equipment use, meeting space rental, catering functions, graphic services, etc. For specific billing deadlines, please refer to license agreement.

## I. **Housing**

**Housing Assignments** are made via an Excel spreadsheet. This building-specific, by-room spreadsheet will be sent to each designated planner electronically via email (see sample on page 3). The planner is responsible for entering all requested data and sending it back to OCS electronically, via email. The information entered by the planner will be downloaded to OCS software. The style of housing accommodations will be consistent with the group's original license agreement.

The blank housing assignment spreadsheet will be emailed to you approximately three weeks before check-in, along with floor plans for your building(s). The completed spreadsheet along with all other required information (e.g. Meeting Information Sheet 3, check-in/-out arrangements etc.) is due back to OCS approx. 10 days before your group arrives, by the date specified in the cover letter you will receive from our office by March 15. Be sure to plan accordingly when setting your registration deadline for participants.

It is expected that all members of your group will be arriving and departing on your group check-in and departures days that were agreed upon. If special arrangements have been made with Conference Services and this is not the case, please put the different arrival/departure dates next to the names of the respective individuals.

**Housing Occupancy:** The number of residents provided to OCS 10 days before arrival will be the guarantee number. The housing guarantee number can be modified in writing up to the third (3<sup>rd</sup>) day prior to check-in without penalty, in case of last-minute cancellations or additions. OCS will make its best effort to accommodate additional attendees, but cannot guarantee availability of bed space. \*

---

*\* Subsequently, a **post-check-in spreadsheet** with correct room assignments for all group members must be received by OCS via e-mail in an Excel spreadsheet by 12:00 Noon on the first business day following your check-in, clearly highlighting any changes. The group will be billed one night's stay for each cancellation, no-show and/or walk-up bed requested, but not used, unless those changes were communicated by the third (3<sup>rd</sup>) day prior to check-in. If the planner does not confirm the housing spreadsheet by 12:00 Noon on the first business day following check-in, the group will be billed for all nights of stay for the total number of check-in envelopes/materials originally provided for registration, plus any subsequent additions. **There are no refunds for early departures. When confirming housing occupancy, all unused check-in envelopes, Wildcards (building/Dining Hall access), keys, lanyards etc. are to be returned to Galberry Hall.***

---

**Housing Check-In:** Housing Check-In is 3PM or later. Any other arrangement must be by agreement with Conference Services. **Please note:** If a guest(s) cannot check-in either during the scheduled group check-in hours OR at the Galberry Hall Conference Service Desk (between 7AM and 9PM, by arrangement), it is the planner's responsibility to keep the remaining check-in envelopes/materials and check guests in upon their arrival. (Suggestion: Distribute your contact number to all or at least to late-arriving participants in advance.)

**Housing Check-Out:** Housing Check-Out time is by 11AM unless arranged otherwise with Conference Services (earlier check-out due to arrival of next guest group or later check-out to due group's own schedule, where possible). Guest groups are responsible for collecting and returning any keys issued to them. Before final departure, a group representative must return all keys, registration bins etc. to the Office of Conference Services, Galberry Hall, and inform the Assistant Director of Conference Reservations (610-519-7790) as to where items were returned.

**Please note:** Any shortages will be billed on the group's final invoice. There is a \$75.00 fee for a lost key (standard key) due to the costs associated with a required lock change and key production. Costs for master keys vary by building and are significant. A \$25.00 fee for any requested door lock combination change will be billed. Wildcards are disposable and do not need to be returned at departure. However, there will be a \$10.00 replacement fee if a Wildcard is lost during your stay and a replacement card is issued.

The security of room keys and master keys, is the responsibility of the meeting planner, who will also sign an additional "Master Key Agreement Form" if any master keys are issued.

## II. Dining

**Dining Services** provides three dining hall buffet meals daily (breakfast, lunch and dinner) in the one Dining Hall operating during the summer. ***All on-campus meals not eaten in the Dining Hall must comply with the University's Catering Policy. Please see the Catering Policy on page 7 of this guide.***

<b>Dining Hall Dining Meal Periods:</b>	Breakfast:	7:00 AM - 9:15 AM
	Lunch:	10:45 AM - 2:15 PM
	Dinner:	4:15 PM - 7:00 PM

**Specific Dining Hall arrival/departure times for your group** within the above meal periods will be scheduled by Conference Services prior to your arrival and **must be observed** to ensure minimal wait times for you and all other guest groups, guarantee seats and to maximize the efficiency of our Dining Hall operation. To arrange your times and for any questions, contact the Assistant Director of Conference Reservations.

**OCS will provide Dining Services with your guarantee number of diners by meal and your group's special dietary needs.**

Dining charges are based on the **guarantee** number, plus any additional diners. If a group has **fewer actual diners than** the guarantee number, the charge for that meal will be based on the **guarantee** number. If the group has **more diners than** the guarantee, then the group will be charged for the **actual number**. **Guarantee numbers are due ten days before arrival and should realistically reflect the size of your group to allow for an adequate amount of food preparation and seating.** Example: Group XYZ's guarantee number is 70 people for breakfast, lunch and dinner. Only 63 people ate at breakfast, but 75 ate at lunch and dinner. The group will be charged for 70 breakfasts, 75 lunches and 75 dinners. Guarantee numbers do not have to be the same for each meal and/or each day. **Please remember and alert your participants that no food may be taken out of the Dining Hall and that there is no room for equipment storage/backpacks etc.**

- **Normal Hours of Operation \*:**  
(\* while summer school is in session; subject to change)

Monday – Thursday:	8AM - 9PM
Friday:	8AM - 5PM
Saturday:	12Noon - 5PM
Sunday:	CLOSED
- **Arrangements for use** of the Connelly Center beyond the stated hours of operation must be made through the Office of Conference Services, Director of Conference Services.

## B. Meeting Space

**All requests** for meeting space should go through the Director of Conference Services. In most cases, these needs are defined within your contract. Any additional space requests should be directed to 610-519-7580.

## C. Audio-Visual Equipment

**The rental** of all meeting space includes the use of any built-in audio-visual equipment. All classrooms are equipped with a white board, screen, LCD projector and internet access. Guest groups must provide their own laptop computers for presentation purposes as well as their own dry-erase white board markers and erasers. Also see “A/V Equipment in Meeting Rooms” document (available from OCS).

The Office of Conference Services strongly advises that a planner/group administrator schedule a preliminary visit to review the operation of any built-in AV equipment in their assigned meeting rooms. Once on site, assistance can be gained via OCS, but there will be no on-site AV tech staff assigned to each meeting session. If that level of service is desired, contact the Director of Conference Services.

Where additional AV equipment (not built in) is needed, there is normally an additional fee, or the group may bring its own AV equipment.

## D. Guest Guides / General Terms and Conditions of Occupancy of University Facilities

**A Guest Guide** describing services (incl. wi-fi access, laundry, a/c etc.) is available to guests during their stay on campus and will be provided to overnight attendees. Additional copies are available upon request. The Guide can also be accessed from our website, [www.conferenceservices.villanova.edu](http://www.conferenceservices.villanova.edu).

## E. Catering Policy

**The Office of Conference Services** reserves the right of first refusal for the Villanova University Catering Department to be the designated caterer for any and all functions providing food and beverage service outside of the dining halls on campus. If the VU Dining/Catering Services department is not able to provide catering service, a group must use an approved caterer with Pennsylvania state-certified food handlers on its staff. Assistance with the identification of caterers who meet state food handling standards is available from the Catering Department, 610-519-5521 / [constance.healy@villanova.edu](mailto:constance.healy@villanova.edu).

**Alcohol Service at Catered Events:** Villanova's alcohol license does not allow for the on-site sale of alcohol to individuals in any circumstances. Group functions where alcohol (beer, wine or liquor) is served and is part of a banquet, reception or party-type event, which may be free admission or one, in-advance admission price for the whole event, can be permitted according to state law.

Villanova Catering can buy and provide alcohol, at its cost, to a group, or the group can buy its own alcohol, and Villanova Catering will serve it. In either case the group is responsible for the costs of Villanova Catering bartenders and a service charge for bar set-ups (full set-up, or beer-wine-soda set-up) according to prescribed standards based on number of attendees.

If Villanova Catering provides the alcohol, it will charge a group for what attendees consume at the event, by-the-bottle (beer or wine), or by-the-portion-of-the-bottle (liquor). A group can limit the amount of alcohol served by designating in advance the amount it wants Villanova Catering to purchase.

Groups that provide their own alcohol are responsible for delivering it according to Villanova Catering directions and removing any remaining alcohol immediately following the function. For the most up-to-date catering information, contact 610-519-5521 / [constance.healy@villanova.edu](mailto:constance.healy@villanova.edu).

## **F. Parking**

**Guests on campus** seven days or less can be issued complimentary temporary parking permits which will designate the guest parking lots. Parking arrangements and guest permits should be arranged with OCS. There is generally no parking on Main Campus, but ample parking is available in the Ithan Avenue Garage, the South Campus Lot and the West Campus Apartment Lots.
