COSTS FOR THE 2015–2016 ACADEMIC YEAR

Direct Costs: What Villanova University bills directly to you.
• Tuition: Full-time Undergraduate Students: $46,966
• Fees
  General Fee: $300
  Orientation Fee: $150
  Student Health and Wellness Fee: $350
• Average Room: $6,710
• Average Board: $5,970

Indirect Costs: These are additional costs the University does not bill you; however, they are included in the cost of attending Villanova in order to calculate your aid eligibility.
• Books and Supplies: $1,100
• Personal: $1,450
• Transportation: $850

Information About Subsequent Award Years (VARIABLE), you will need to reapply for financial aid each year. Applications for the next academic year usually are available in January, and your financial aid file must be complete by April 30 if you want to be considered for federal and institutional aid. Late applicants will be aided only if funds remain available.

Villanova University is committed to maintaining the total level of funding if the Expected Family Contribution remains similar from year-to-year. However individual components within the total funding package may change.

You must maintain Satisfactory Academic Progress in order to be considered for financial aid each year. Please consult the Office of Financial Assistance website for more information about Satisfactory Academic Progress.

To receive the need-based Villanova University Grant, you must have financial need and continue to be registered as a full-time daytime undergraduate student. The amount of your need-based Villanova University Grant may change depending upon changes in your financial need. Funds are not awarded beyond eight academic semesters.

The Office of Financial Assistance would like to remind students and their families that eligibility for the need-based Villanova University Grant and other need-based aid could be affected if any of the following circumstances occur in subsequent years:
1. Any increase or decrease in the number of members in the household
2. A sibling graduates, withdraws or changes to less than full-time enrollment from an undergraduate college, university or business, trade or technical school. (A family’s choice to continue to fund graduate education for a sibling cannot be considered.)
3. Receipt of outside aid (e.g. scholarships, state grants, tuition remission)
4. Change in enrollment status from full-time to part-time
5. Any increase or decrease in family income and/or assets
6. Change in housing status

If you have any questions about how these circumstances could affect your eligibility for need-based aid in subsequent years, please contact the Office of Financial Assistance.

Beyond this booklet, you can visit finaid.villanova.edu for more details and answers to frequently asked questions. You may also contact TMS at (800) 895-9061 with questions regarding the Villanova University Tuition Payment Plan. As always, you are welcome to contact the Office of Financial Assistance for further help.

MAKING VILLANOVA UNIVERSITY AFFORDABLE

The Office of Financial Assistance at Villanova University is pleased to notify you of your financial aid eligibility and to explain the sources of financial aid that you may be qualified to receive. Please review this booklet thoroughly and retain it for future reference. What follows is a detailed explanation of all sources of federal, state, and institutional need-based financial assistance as well as the terms and conditions of each award and how aid eligibility can be affected in future years.

Please note: The Office of Financial Assistance is not involved with the awarding of academic scholarships. If a scholarship appears on your award notice, a separate letter will be mailed to you containing the terms of the scholarship. Any questions regarding scholarship eligibility should be directed to the Office of University Admission. Please refer to the back cover of this booklet for their contact information.

Your eligibility for need-based assistance is based on information that you provided on the Free Application for Federal Student Aid (FAFSA), the College Board PROFILE, and other documentation. The Office of Financial Assistance must be notified of any changes in information originally reported (e.g., family size, number of siblings in college, housing status) since these changes may affect your aid package. If you receive an award notice and your financial aid file is incomplete, your aid package is only an estimate and may change pending receipt of all missing information. (Check your application status on your MyNova account to confirm all necessary documents have been received and reviewed.)

Villanova University is committed to providing students with a rigorous, rewarding and transformative educational experience. We are equally committed to helping students and their parents make that experience affordable.

Realizing that your eligibility for financial aid may not, when combined with your family’s ability to pay, meet all of your educational expenses, we have developed the Family Financing Option, which includes:

Villanova University Tuition Payment Plan
In partnership with Tuition Management Systems (TMS) we provide payment options that help you afford your education. The Monthly Payment Plan allows you to divide tuition and other expenses into ten smaller monthly payments, spread over the year.

Simply visit villanova.afford.com for more information.

Federal Direct PLUS Loan
After you have exhausted your eligibility for the Federal Direct Subsidized and/or Unsubsidized Loans, another loan to consider is the Federal Direct PLUS Loan. It has a fixed rate and various repayment terms. Receipt of a Federal Direct PLUS Loan is based on the creditworthiness of the parent borrowing the loan.

Private Educational Loans
If the Tuition Payment Plan and Federal Direct PLUS Loan do not satisfy your balance, a private educational loan may close the gap. If you believe private educational funding is needed, we encourage you to learn about available Private Educational Loan programs and determine which one best meets your needs.

When the Office of Financial Assistance is notified that you have confirmed your offer of admission by submitting your admission deposit, we will send you information on how to apply for the various loan options available to you by June 1.

NEXT STEPS YOU NEED TO TAKE

1. Read your financial aid award notice and this booklet carefully.
2. If your financial aid file is incomplete, provide all missing documentation to the Office of Financial Assistance by April 10, 2015, to finalize your financial aid package by May 1, 2015.
3. Once you have paid your admission deposit go to your MyNova account to accept, reduce or decline your aid award.
4. Complete the necessary online requirements for any Federal Perkins, Nursing and Direct Loans.
5. Consider whether or not you want to pursue the Family Financing Option, which includes the Villanova University Tuition Payment Plan, the Federal Direct PLUS Loan, and Private Educational Loans described in the following pages. Note: If you wish to take advantage of any part of the Family Financing Option you must complete the necessary steps outlined in this booklet. The Family Financing Option is not an offer of aid but rather a reflection of options available to finance your remaining cost of attendance.
6. If you receive any outside sources of aid, notify the Office of Financial Assistance of each source and amount. Please note that receipt of outside aid may result in an adjustment of your aid package.
7. Contact the Office of Financial Assistance in writing if any of the following circumstances apply to you, as one or more could affect your eligibility for financial aid:
   • Any change in housing status
   • Receipt of outside aid (e.g. scholarships, state grants and tuition remission)
   • Change in enrollment status from full-time to part-time
   • Reduction in family income
   • Change in the number of family members attending post-secondary educational institutions (college, university, business, trade or technical institution) in 2015-2016
   • Financial documents, received after the award notice, that change the financial information in your aid file
   • Deferment of your offer of admission to a subsequent term or year
Institutional Information

Endowed scholarship funds may replace a student's eligibility for this grant. Board PROFILE is included in determining financial need. University Grant is determined each year after the Office of Financial Assistance processes all financial aid applications and reviewed all financial aid applications and documents. This need-based grant is subject to change on July 1, 2015. Please check back in July with the Office of Financial Assistance for the most up to date information. For the 2014-2015 academic year, interest rates were as follows:

- **Interest rate** on the unsubsidized loan is 4.66%.
- **Interest rate** in an unsubsidized loan is currently 5%.

**Academic Year Deadlines:**
- June-July (Freshmen): The Office of Financial Assistance processes applications for the fall semester. Students may receive loan approval prior to funds being credited to your account. Visit studentloans.gov and complete the Entrance Counseling for your Federal Direct Loan.
- August: Student receives loan approval notice. One-half of the approved loan funds will be credited to the student’s tuition account at the beginning of the fall semester.
- January: One-half of the approved loan funds will be credited to the student’s tuition account at the beginning of the spring semester.

**Key Points:**
- If you initially accept, change or decline the offer of a loan that you have been awarded and accept either of these loans, you may only receive multiple Subsidized and Unsubsidized Loans over a maximum 10-year period. You may request an extension up to 25 years depending on the amount owed and legislative changes. Should there be no time does the government subsidize the interest while you are enrolled in a degree program. Students may borrow under the same terms as the Direct Subsidized Loan; however, at the beginning of classes if you have been awarded and accept either of these loans.
- Unsubsidized Direct Loan is an education loan available to students who are not eligible or have limited eligibility for the Direct Subsidized Loan. Students may borrow under the same terms as the Direct Subsidized Loan; however, at the beginning of classes if you have been awarded and accept either of these loans.
- Family Financing Option is not an offer of an interest only. It is only a reflection of options available to finance your remaining cost of attendance. The amount listed as the Family Financing Option is the estimated difference between the total estimated cost of attending Villanova University and your total financial aid package for the 2015-2016 academic year. You may finance this difference through a variety of options described in more detail in the following pages. These options include an interest-free payment plan, a Federal Direct PLUS Loan, and private educational loans.

Applying for Federal Direct Loans

**Application Process**
- **Referral:** Your financial aid information is sent to the Villanova University Office of Financial Assistance at finaid@villanova.edu for more information and for Federal Direct Loan application procedures.
- **Master Promissory Note (MPN):** Through a Federal Direct Loan MPN, you may receive multiple Subsidized and Unsubsidized Loans over a maximum 10-year period. Once a signed MPN is on file with the U.S. Department of Education, all you will have to do in future years is accept the Federal Direct Loan amount listed on your award letter. All first-time borrowers must complete a MPN prior to funds being credited to your account. If you wish to change the amount of your Federal Direct Loan after you initially accept, change or decline the offer of this loan on your MyNova account, visit the Villanova University Office of Financial Assistance at finaid@villanova.edu. You may complete your Federal Direct Loan MPN at studentloans.gov.

**Entrance Counseling:** All first-time borrowers must complete Entrance Counseling prior to funds being credited to your account. Visit studentloans.gov and complete the Entrance Counseling for your Federal Direct Loan.

**Direct Loan Timeline**
- **June-July (Freshmen):** The Office of Financial Assistance processes applications for the fall semester. Students may receive loan approval notice prior to funds being credited to your account.
- **August:** Student receives loan approval notice. One-half of the approved loan funds will be credited to the student’s tuition account at the beginning of the fall semester.
- **January:** One-half of the approved loan funds will be credited to the student’s tuition account at the beginning of the spring semester.

If your loan is not processed, please log into MyNova to make sure that all financial aid requirements are complete.
VILLANOVA UNIVERSITY TUITION PAYMENT PLAN AND EXPENSE PLANNER

Before you can make an informed decision about financing a college education, you must determine your remaining balance after financial aid has been applied. Use the adjoining Expense Planner to estimate the balance owed.

If the resulting monthly payment is greater than your ability to pay, we encourage you to consider the Villanova University Tuition Payment Plan. In partnership with Tuition Management Systems (TMS) we provide payment options that help you afford your education. The Monthly Payment Plan allows you to divide tuition and other expenses into ten smaller monthly payments, spread over the year. Simply visit villanova.afford.com.

TMS Affordability Counseling is a free tool based on a simple principle. By determining the maximum portion of your monthly payment, you can effectively save money.

A Combination Strategy Limits Debt
Affordability Counseling fills the gap with your best low-interest loan option(s) so families pay their affordable monthly payments as they go and borrow only what they need. Affordability Counseling has helped hundreds of thousands of families save an average of about 50 percent of what they would normally pay in interest on borrowing. We recommend that you seriously consider the advantages of borrowing.

In early May, TMS will send information and enrollment instructions for this optional plan to you if you have submitted your deposit. You may contact TMS for counseling on payment options and loans at (800) 895-9561 from 8 a.m. to 10 p.m. weekdays and 9 a.m. to 3 p.m. on Saturdays (Eastern Time), or visit villanova.afford.com to learn more about Affordability Counseling.

Technology to Help You Plan
We encourage you to find the link to TMS on the Villanova University website, or go directly to villanova.afford.com and view your payment options. A cost calculator is available and can be helpful after you have completed the expense planner. If your monthly payment amounts are too high to afford, then consider the combination strategy to find the best solution. The combination strategy calculates the combination of low-interest loans and monthly payments that best fits your monthly budget requirements. The loan options available are those recommended by the University when borrowing is necessary.

If you need help or do not have web access, call (800) 895-9561, and a TMS Education Payment Counselor will assist you with Affordability Counseling based on these same Villanova University recommendations.

Your Estimate of Expenses

1. Enter your estimated expenses.*

   Tuition $ 

   General Fee $ 

   Health & Wellness Fee $ 

   Orientation Fee (Freshmen Only) $ 

   Room $ 

   Board $ 

   Pre License Fee for Nursing students $ 

   Total Estimated Expenses $ 

2. Enter your financial assistance. (Use amounts provided from your award notice).

   Federal Pell Grant $ 

   State Grant $ 

   Federal SEOG $ 

   Federal Perkins Loan $ 

   Federal Nursing Loan $ 

   Villanova University Grant $ 

   Federal Direct Loan $ 

   Other Scholarships/Grants/Aid $ 

   Deposits Paid to School $ 

   Total Deductions $ 

3. Subtract total deductions from your total estimated expenses to arrive at your total payment plan amount.

   Enter this amount below (and on your enrollment form if enrolling by mail).

   Total Payment Plan Amount $ 

   Number of monthly payments in your plan 

   Your Monthly Payment $ 

* Please remember that in addition to the charges listed in the notice of aid eligibility from the University, students will need to purchase books and supplies and incur weekly living expenses, including transportation, throughout the year. These expenses are not eligible to be included in the Monthly Payment Option.

Interest Rate
The interest rate for 2015-16 will be set on July 1, 2015. Please check back with the Office of Financial Assistance for the most up to date information. For the 2014-2015 academic year, the interest rate was a fixed 7.21%.

Repayment
The repayment period for a Federal Direct PLUS Loan begins when the loan is fully disbursed, and the first payment is due 60 days after the final disbursement for that year. However, Federal Direct PLUS Loan borrowers may defer repayment while the dependent student for whom they borrowed is enrolled at least half-time and for six months after the student ceases to be enrolled at least half-time.

Interest is charged on Federal Direct PLUS Loans during all periods, beginning on the date of the first loan disbursement. A Federal Direct PLUS Loan borrower may either pay the interest as it accrues during a deferment or allow it to accrue and be capitalized at the end of the deferment period.

Depending on the amount borrowed, repayment can be made for a period of up to 10 years. When you receive your repayment disclosure, you may apply for a temporary hardship forbearance or deferment to have your payments delayed.

Federal Direct PLUS Endorse
When you apply for a Federal Direct PLUS Loan, the Department of Education will check your credit history. To be eligible for a Federal Direct PLUS Loan, you must not have an adverse credit history. If you are found to have an adverse credit history, you may still borrow a Federal Direct PLUS Loan with an endorser who does not have an adverse credit history. An endorser is someone who agrees to repay the Federal Direct PLUS Loan if you do not repay the loan. The endorser may not be the student on whose behalf a parent obtains a Federal Direct PLUS Loan.

In some cases, you may be able to obtain a Federal Direct PLUS Loan if you document that there are extenuating circumstances related to your adverse credit history.

Application Process
Refer to finaid.villanova.edu for more information and application procedures for the Federal Direct PLUS Loan.

Master Promissory Note (MPN)
Through a Federal Direct PLUS Loan MPN, you may receive multiple Federal Direct PLUS Loans over a maximum 10-year period. You have to complete the promissory note only once, unless you are applying with an endorser. Thereafter, all you need to do is supply the amount you want to borrow each year on a Villanova University Direct PLUS Loan application and successfully complete the online application/credit check process. An MPN must be completed for each student enrolled.

Federal Direct PLUS Loan Timeline
• May–June: Family completes a FAFSA, the parent completes an online application, Federal Direct PLUS Loan MPN and the Villanova University PLUS Loan application. Be sure to include the dollar amount you wish to borrow for the entire academic year, taking into consideration the fees (4.292%, subject to change) that will be deducted from each disbursement.
• June–July: The Office of Financial Assistance begins to certify loan applications.
• August: Parent receives loan approval notice. One-half of the approved loan funds will be credited to the student’s tuition account at the beginning of the fall semester.
• January: One-half of the approved loan funds will be credited to the student’s tuition account at the beginning of the spring semester.
PRIVATE EDUCATIONAL LOANS

A private (i.e., non-federal) educational loan enables full- and half-time students to pay for tuition and other costs associated with a college education after they have exhausted all of the other options outlined in this booklet. The program can be used along with the Villanova University Tuition Payment Plan, and Federal Direct Subsidized/Unsubsidized and Federal Direct PLUS Loans.

Borrower Eligibility

The borrower of a private educational loan is the student. Since the private loan is based on creditworthiness, parents or creditworthy individuals may act as co-signers on this loan. (While some lenders will allow students to borrow without a creditworthy co-signer, Villanova University highly recommends the use of a creditworthy co-signer to possibly reduce the interest rate.)

To be considered for a private loan, a student borrower and/or the co-signer may be asked to meet certain criteria:

• Be enrolled in certain eligible programs of study
• Meet certain citizenship requirements
• Meet credit underwriting guidelines
• Maintain a certain enrollment status

These loans are based on creditworthiness, so we cannot guarantee that every applicant will qualify.

Lenders

Borrowers may select any eligible and participating lender of their choice. You may want to contact the bank, savings and loan, or credit union with whom you regularly do business.

A list of Villanova University Preferred Lenders is available at elmselect.com/link/query?schoolid=360.

Disbursements

The net loan proceeds are generally disbursed in two installments, one at the beginning of each semester. Disbursements are made through electronic funds transfer (EFT) or by check directly to Villanova University.

Fees

Fees may be charged for a private educational loan and may be tied to the borrower’s and/or co-signer’s creditworthiness.

Interest Rates

Private educational loans typically offer a variable or fixed interest rate. These loans are tied to an index, such as LIBOR or Prime, plus a margin. The interest rates and fees you pay on a private loan are based on your, and your co-signer’s if you have one, credit score and credit history. It is better to apply for a private loan with a co-signer even if you could qualify for the loan on your own.

Applying with a co-signer usually results in a lower interest rate.

Repayment

A lender may offer a variety of repayment options. While most lenders will allow the student to delay repayment while the student is enrolled at least half-time, you must confirm with your lender the options that are available. For example, the lender may allow for deferment of principal but may require a borrower to either pay interest during this time or allow the interest to accumulate and then be capitalized (added to the principal balance) after the school deferment ends.

Borrower Benefits

Lending institutions may offer borrower benefits such as the following:

• Co-signer release options
• Rate reductions for borrowers who elect monthly payments that are automatically deducted from a bank account
• Consolidation
• Rate reduction after a specified number of on-time payments

Check with your lender for the benefits that most appeal to you and your financial needs.

Application Process

Refer to finaid.villanova.edu for more information and application procedures for private educational loans.

FEDERAL DIRECT PLUS vs. PRIVATE EDUCATIONAL LOANS

<table>
<thead>
<tr>
<th>Interest Rate</th>
<th>Federal Direct PLUS Loan</th>
<th>Private Educational Loan</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Fixed interest rate is 7.21%. The rate will be adjusted on July 1, 2015.</td>
<td>• Variable or fixed interest rate determined monthly or quarterly based on prime or LIBOR rate plus a margin. Interest rate is not capped.</td>
<td></td>
</tr>
<tr>
<td>Fees</td>
<td>• A 4.292% origination fee may be deducted from the loan proceeds prior to disbursements.</td>
<td>• Fees may or may not be charged, check with the lender.</td>
</tr>
<tr>
<td>Credit Requirements</td>
<td>• Credit check is based upon federal standards.</td>
<td>• Terms vary by lender, most of whom use credit scores or debt-to-income ratios to determine creditworthiness, interest rates and fees. • International students usually borrow with a creditworthy U.S. citizen co-signer.</td>
</tr>
<tr>
<td>Loan Limits</td>
<td>• Parents may borrow up to the cost of attendance less other aid.</td>
<td>• Student (typically with a co-signer) may borrow up to the cost of attendance less other aid. • Limits depend on maximums established by lenders, as well as borrower and co-borrower credit scores.</td>
</tr>
<tr>
<td>Cancellation</td>
<td>• Although Federal Direct PLUS Loans must be repaid in full, there are a few situations in which your loan(s) may be discharged and your repayment obligation cancelled, including, but not limited to total and permanent disability, or your death or the death of the dependent student.</td>
<td>• Death or disability insurance may be available and vary among lenders</td>
</tr>
<tr>
<td>Repayment Terms</td>
<td>• For Federal Direct PLUS Loans, repayment begins either no later than 60 days after the final disbursement or, at the request of the parent borrower, six months after the date that the student for whom the loan was borrowed ceases to be enrolled at least half-time. Interest accrues from the date that the loan is disbursed. • Generally, the repayment term is 10 years, and there are no prepayment penalties. • Graduated repayment or extended repayment terms may be available if the borrower qualifies.</td>
<td>• Repayment varies by lender and may begin immediately or be deferred until six months after the student graduates or ceases half-time enrollment in a degree program. • Students may select from several repayment plans, and most lenders allow prepayment and early payoff without penalty.</td>
</tr>
<tr>
<td>Deferment and/or Forbearance</td>
<td>• Various deferment and forbearance alternatives are available.</td>
<td>• Deferment options vary by lender.</td>
</tr>
<tr>
<td>Consolidation</td>
<td>• Federal Direct PLUS Loans may be consolidated.</td>
<td>• Some private lenders offer consolidation options, but interest rates may be variable and scaled to credit.</td>
</tr>
<tr>
<td>Payment</td>
<td>• Parent borrower is responsible for repayment.</td>
<td>• Student is responsible for repayment; however, a co-signer is equally liable.</td>
</tr>
</tbody>
</table>
GLOSSARY

Capitalized
The adding of unpaid interest that accumulated during an in-school, grace or deferment period to the principal balance. This will increase the principal balance.

Deferment
The deferment period is a period of delayed payments while in-school or in grace period. Contact your lender for a list of available deferments.

Federal Direct Loan Lender
Federal Direct Loans are funded by the U.S. Department of Education through Villanova University and are managed by the Federal Direct Loan Servicing Center under the supervision of the Department of Education.

Disbursement
The process of sending the loan proceeds to the University’s Bursar’s Office. Disbursements usually coincide with the beginning of each semester.

Electronic Funds Transfer (EFT)
The process of disbursement that sends private educational loan proceeds electronically to the University’s Bursar’s Office.

Entrance Counseling
A review of the terms and conditions of the loan programs. All first-time borrowers must complete Entrance Counseling prior to Federal Direct Loans, Federal Perkins and Nursing Student Loans being disbursed to the student’s account. Visit studentloans.gov and complete the Entrance Counseling for your Federal Direct Loan; visit www.fc.campusoncall.com/cgi-bin/home.pl?campus=Villanova and complete the Entrance Counseling for your Federal Perkins and/or Nursing Loan, if applicable.

Financial Need
The difference between cost of attendance and Expected Family Contribution (EFC) as determined from the PROFILE.

Forbearance
Forbearance is an arrangement to postpone a payment for a limited and specified period of time. Interest will accrue on all loans during forbearance. Any interest that is not paid will capitalize at the end of the forbearance, and will be added to the principal balance of the loan. Common types of forbearance include Temporary Deferment, In-School Forbearance, Economic Hardship, Natural Disaster, and Military Service.

Grace Period
The payment free period of time that follows the student’s graduation, withdrawal or dropping below half-time enrollment status. During this period of time interest will accrue. For the Federal Direct Loan the grace period is 6 months and the grace period for the Federal Perkins and Nursing Student Loans are 9 months.

Half-Time
An enrollment status that normally is six credit hours for an undergraduate but is always determined by the University’s academic policies.

In-School
The period when a student is enrolled on at least a half-time basis. No payments are required; however, interest does accumulate on an unsubsidized loan.

Interest
The cost paid by the government (for subsidized loans during subsidized periods) or by the borrower during the time the loan is outstanding. Interest is accrued using the simple method with the Federal Direct Loan.

LIBOR
An acronym for the London Interbank Offered Rate. Visit bloomberg.com/markets to view current LIBOR rates.

Loan Consolidation
The federal loan program that allows a borrower to combine his or her federal loans and refinance them, possibly over a longer term (up to 30 years) based on amounts borrowed.

Prime
The interest rate that commercial banks charge their most creditworthy customers.

Repayment Period
The period of time following the grace period when principal and interest payments are required. The repayment term for Federal Direct and Federal Direct PLUS Loans is a maximum of 10 years but can be extended through loan consolidation or other repayment options.

Satisfactory Academic Progress (SAP)
The term used by schools to determine if a student is meeting the minimum academic requirements for matriculation, which are based on grade point average and number of credit hours completed. Students must be making SAP to receive all need-based aid including grants, loans and Federal Work Study. Refer to the Office of Financial Assistance website for Villanova’s Satisfactory Academic Progress Policy.

Tentative Financial Aid Award
The term used by Villanova University to indicate that your aid has not been finalized due to missing documentation (i.e., Tax documents, signatures, W-2, etc.). Tentative awards will not credit to a student’s account until all documentation is submitted and if selected for federal Verification, all requirements are satisfied. Award amounts may change as a result of review of all materials.

Term of Loan
The number of years that a loan is in the repayment period.

Verification
Verification is a requirement of the U.S. Department of Education and is the process of confirming information submitted for consideration of the various Federal Title IV Funds including the Federal Pell Grant, Federal SEOG, Federal Work Study, Federal Perkins Loan and Federal Direct Loans. Applicants should be aware that this federal regulation requires them to submit tax data and other requested information to the Office of Financial Assistance before the processing of student loan applications and/or the awarding of funds. Students must submit the required information to complete the verification process no later than 45 days before the last day of the student’s enrollment.

FEDERAL DIRECT AND PLUS LOAN REPAYMENT CHART

Estimating the costs of borrowing federal student loans can be challenging, but these charts can help you make informed decisions before taking out a loan. The charts outline repayment information for different loan amounts and different types of federal student loans, including:

- Undergraduate Federal Direct Loan with Standard Repayment Plan
- Federal Direct PLUS Loan

Repayment calculators are available at www.studentloans.gov by clicking on Repayment Plans and Calculators.
