Concur Expense Guide
Procurement Card
**User’s Guide – Procurement Card**

This guide will provide details on how to log in, upload receipt images, submit monthly P-card reports, allocate transactions, provide a description for charges and other functionality on the Concur website.

### Log on to Concur

<td>1. Log on to Concur using <a href="http://www.concursolutions.com">www.concursolutions.com</a></td>
<td>Your password is case sensitive.</td>
</tr>
</tbody>
</table>
Upload Receipt Images Using Computer

**How to...**
1. Scroll over the Expense tab and click View Receipt Store.
3. Click Browse and select the receipt image from your computer.
4. Click Upload and the receipt will appear in your Receipt Store.

**Additional Information**
Receipt images must be scanned into your computer before they can be uploaded to your account.

---

Upload Receipt Images Using Concur Mobile App

**How to...**
1. Click on Receipt button.
2. Take a picture of your receipt.
3. Click Done.
Create a Monthly P-card Report

Step 1: Create a New Report

How to...

5. In the Expense Reports section of the My Concur page, click New Expense Report.
6. Complete all required fields (those with the red bar at the left edge of the field) and the optional fields.
7. Click Next.

Additional Information

Reports should be completed monthly. If you have travel charges, a separate report should be created specifically for the travel charges.

Report Name: “Month” “Year” P-card charges (Ex. June 2014 P-card charges).

Start Date: First day of the month.

End Date: Last day of the month.

Index Code: Will default to index code you were set up with, but you have the ability to change it.

Business Purpose: “Monthly P-card charges.”

---

Step 2: Add an Expense to the Monthly P-card Report

How to...

1. Click and drag expense(s) from the Smart Expenses window into the Expenses window.
2. To drag multiple expenses at the same time, click the box to the left of the expense, and drag both expenses. You can also click the Import button to add the selected expenses to the expense report.

Additional Information

Available expenses appear in the right window, titled Smart Expenses. Expenses included in the expense report appear in the left window, titled Expenses.

Be careful to only select charges for a specific month since there may be charges for multiple months in the Smart Expenses window.

Once charges are added to the Expenses window, the charges are removed from the Smart Expenses window, and cannot be allocated to a separate expense report.
Step 3: Adding a Receipt Image to a Transaction

How to...

1. Once a transaction is in the Expenses window, click on the charge. Details of the charge will appear.
2. In the bottom right of the new Expense window, click Attach Receipt in the bottom right.
3. A window will appear for attaching the receipt. The file can be uploaded from your computer or attached from the Receipt Store. Once selected, click Attach.
4. If you do not have a receipt, you can select to Create a Missing Receipt Affidavit which will take the place of the receipt.

Additional Information

Once a receipt has been added to a transaction, a green icon will appear next to the transaction.

A Missing Receipt Affidavit should only be added sparingly, as the Procurement Office will keep track of how many Missing Receipt Affidavits are used.

Step 4: Updating the Allocation for a Transaction

How to...

1. Click on the transaction in the Expenses window. Details of the charge will appear.
2. In the new Expense window, choose the appropriate Expense Type. Complete this process for all transactions.
3. Once completed, select a charge in the Expenses window.
4. In the bottom right of the Expense window, click Allocate. A new window will appear.
5. Click under the Index Code column to select the appropriate GL Budget Index Number. Click Save.
6. To update the Index Code for additional charges,
choose the charge from the **Allocations** window and select the new **Index Code**.

7. Once completed, click **Done**.

---

**Step 5: Submitting a Monthly P-card Report**

**How to...**

1. On the right side of the screen, click **Submit Report**. If there are any issues with the report, a dialog box will appear with details of the issues. Click **Submit Report** and it will be sent to the proper user for approval.

**Additional Information**

If you are not ready to submit a report, the report automatically saves, so you can return later and complete the report.
