To access the online performance management system:

1. Open your internet browser (Google Chrome or Mozilla Firefox is recommended) and go to jobs.villanova.edu/hr

2. Enter your Villanova username and password. This is the same username and password that you use for logging into MyNova and your University email.

3. Click on Go to Performance Management Portal in the top right corner of your screen.

If you do not see this link or are having any other technical difficulties, please contact hr@villanova.edu.
