**CRS Faculty/Staff Workshop**

Taking Overseas Poverty-related Immersion Experiences to the Next Level: A Conversation with Catholic Relief Services (CRS)

Friday, September 27, 9:30 a.m. – 1:30 p.m. (Lunch Included)
Falvey Library, room 205

There are very few challenges CRS hasn’t met in its 70 years working in developing countries to relieve suffering and reduce poverty. This workshop offers an opportunity for Villanova faculty and staff who lead overseas immersion and study programs and CRS to learn from one another—to share what they do well, what they’d like to do better, and together strategize for added impact. CRS will share its Integral Human Development framework, its Principles of Partnership, its Assessment Tools and more.

Although the focus is international, faculty and staff who lead domestic immersion experiences will certainly find points of convergence and are more than welcome! Because of the interactive format of this workshop, space is limited. To register, email: trudy.pacella@villanova.edu by Friday, September 13.
