What's new in your life? We would like to hear of any your accomplishments. Please email us with any award, promotions, new positions or accolades or news that you receive and we will post them to upcoming editions - nursing.rnbsnonline@villanova.edu
**Links to Campus Lectures** - Many on campus lectures are recorded and can be viewed @ Villanova YouTube. Check Campus Currents in your Villanova Email account for notices of upcoming lectures.

**Have you moved or are planning to move?** Please notify your rep of your address and go to formally change your address with Registrar.

**Villanova Email account** - All students have 2 email accounts. One is located within the LMS where your courses are located and the other is found by going to www.villanova.edu and entering your Villanova username and password into the My NOVA portal and clicking on the email icon. Official university information is sent to this address so please check it regularly. There are instructions on how to forward this email to your home email account located in the Student Resources Center of the LMS.

**What is the Tech Support Number?** BISK has 24/7 Technical Support which can be reached by calling toll-free at 1-800-742-1309.

**The Student Resource Center** - is in the Learning Management System (LMS) where you access your courses) and houses helpful information to students regarding the program, clinical courses, writing help and much more. You access it from the Resources link at the very top of each course. Open the Resource link and choose Student Resources Center from the dropdown. Please take time to investigate what has been placed there to help you with your academic success.

**MAT 1250 Tutor** - Free Statistic tutoring available. The University is now providing a graduate assistant to help students with statistic tutoring if needed. This person will change every few semesters. Please contact Melissa Ferreira (MLRC Director) @ melissa.ferreira@villanova.edu to find contact info for the current GA. Do not hesitate to reach out to your MAT 1250 faculty member for assistance as well.

**Advisement** - Dr. Lyons is the advisor to all RN-BSN Online students. She works closely with the re-enrollment reps so that they should be your first call for most advisement issues. If your issue cannot be handled after contacting your rep, please reach out to her at margaret.g.lyons@villanova.edu or via LMS email, she is in all courses as “Administrative Professor” for your convenience.

**Role of the Reps** - Your first representative is the admission rep who helps you apply and enter the program. Once you are admitted, you will transition to a re-enrollment rep who stays with you until you graduate to assist you in course selection and preparation for graduation. Make sure you communicate with your rep on a regular basis to stay on track!

**What is a CAPP?** A CAPP is the term for the Curriculum, Advising and Program Planning tool. It is the best way to see your progression to graduation. Running a CAPP will show you what courses you have taken and what ones you still need to take. You can run a CAPP by going to the MyNOVA portal under the Student tab.
