Washington (RN-BSN only)
Villanova University is authorized by the Washington Student Achievement Council and meets the requirements and minimum educational standards established for degree-granting institutions under the Degree-Granting Institutions Act. This authorization is subject to periodic review and authorizes Villanova University to offer field placement components for specific degree programs. The Council may be contacted for a list of currently authorized programs. Authorization by the Council does not carry with it an endorsement by the Council of the institution or its programs. Any person desiring information about the requirements of the act or the applicability of those requirements to the institution may contact the Council at P.O. Box 43430, Olympia, WA 98504-3430.

Villanova University is also approved by the Washington State Nursing Care Quality Assurance Commission to provide practice experiences in Washington State for the RN-BSN program. For more information, go to the following website: http://www.doh.wa.gov/LicensesPermitsandCertificates/NursingCommission/NursingPrograms.aspx.

All persons who seek to enroll in Villanova University’ RN-BSN degree program should be aware that it is the responsibility of the student to secure a site for the required field placement courses. The University will assist in this endeavor to the extent it is able to do so.

Students with complaints about the University’s programs should contact the Washington Student Achievement Council, 917 Lakeridge Way, PO Box 43430, Olympia, WA 98504-3430; http://www.wsac.wa.gov/student-complaints.
