Dear Friend,

Can you help us LEVEL the Playing Field for People of All Abilities? LEVEL is a growing organization at Villanova University. We set out to bridge the gap between the able-bodied community and the differently-abled community. In collaboration with the Office of Disability Services, we facilitate peer-to-peer interaction to foster inclusion and acceptance in and out of the classroom.

We welcome you to join our mission to LEVEL the Playing Field. We appreciate our group’s family support, but also the ability to connect with various corporations to help build our student organization. A sponsorship from your family or company will help our students, while providing you with the opportunity to enhance your image of public consciousness and concern in the community. A sponsorship, of any kind, also offers tremendous potential for advertising, publicity, and sales promotion at our fundraising event, Casino Night. Please consider the following sponsorship levels:

**Platinum Sponsorship - $2500 and up:** Two full-page slides on a PowerPoint presentation that runs in a continuous loop, one sign on prize table, one sign on gaming table, opportunity to speak at the event, four complimentary tickets, $2500 in chips for your guests. (A corporate sponsor table will be made available for your company’s info/representatives *for corporate sponsorship only *)

**Gold Sponsorship - $1000:** One full-page slide on a PowerPoint presentation that runs in a continuous loop, one sign on check-in table, one sign on gaming table, two complimentary tickets for you and a guest, $1000 in chips for you and a guest.

**Silver Sponsorship - $500:** Half-page slide on a PowerPoint presentation that runs in a continuous loop, one sign on gaming table, two complimentary tickets for you and a guest, $500 in chips for you and a guest.

**Bronze Sponsorship - $250:** Quarter-page slide on a PowerPoint presentation that runs in a continuous loop, one sign on gaming table, two complimentary tickets for you and a guest, $250 in chips for you and a guest

(***Please see the attached page in regards to sponsorship opportunities below the Bronze level)

Your tax-deductible contribution will help fund:

**Office of Disability Services Student Grants:** Scholarships for disabled students to defray the cost of books, supplies, and technology required to accommodate their physical and academic needs. At a private university, these expenses are incurred by individual students who live on campus.

**Casino Night:** Annual event that involves students, faculty, and members of the surrounding community. It features games, entertainment, and chances to win prizes. Accessible for all, Casino Night reinforces the themes that LEVEL promotes at Villanova University.

If your family or company would like to support LEVEL as a sponsor, please complete the attached form with either your family or corporate information. Together, we will help make a difference at Villanova and beyond. Thank you in advance for your consideration and generosity.

Sincerely,

Hindley Williams,
President LEVEL
