Local Time Zone

You will receive a confirmation email from cit@villanova.edu, asking you to activate your profile. Please click on the link to activate your profile. If you do not activate your profile, your recordings will not upload.

A confirmation email will be sent to the email address associated with your account shortly. Follow that link at any time to complete your Mediasite profile.

3. At the bottom left-hand corner of the screen, click on "**Download the Desktop Recorder**".

4. A new page will open in your internet browser.

Follow the steps on the screen to download & install the file.

Step 1: Download Mediasite Desktop Recorder

Minimum System Requirements

Mac OS X 10.8 or 10.9
Windows 7, Windows 8 or 8.1 (running in Desktop mode)
2.4GHz Core2 Duo CPU or equivalent
4 GB RAM
At least 1 GB of free disk space
Built-in or external camera and microphone

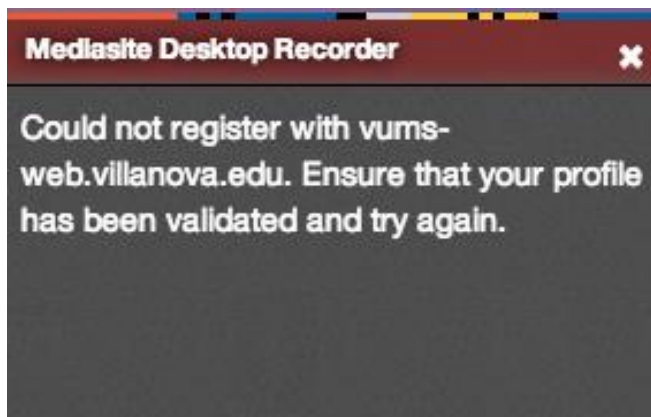

[Download Desktop Recorder for Windows](#)

Not your operating system? [Download for Mac.](#)

5. After installation is complete, go back to your internet browser & click on the **“Register Mediasite Desktop Recorder”** button.

Mediasite Desktop Recorder is now installed on your computer & ready to use.

Note: If you see the following window appear on your computer, please check the confirmation email from cit@villanova.edu. Click on the link to activate your profile and click on the **“Register Mediasite Desktop Recorder”** button again.
