Merry Christmas!

At this wonderful time of the year, I wanted to share an inspirational video from one of our student groups on campus. LEVEL brings students registered with the Office of Disability Services together with able-bodied peers. The group's goal is to make daily interactions all inclusive as well as raise able-ism awareness at Villanova University and beyond.

LEVEL recently held their second annual off-campus retreat for student members, and it was an inspiring trip! Click here to watch the video. It will make you be proud to be a member of the Villanova community.

LEVEL is one example of the many ways students are igniting change at Villanova. I hope you enjoy catching up with your Villanovan during the break!

Wishing you a Merry Christmas and a happy and healthy New Year!

Kind regards,

P.S. The Villanova Campaign to Ignite Change total now stands at nearly $392 million! Thank you for being a part of this incredible progress.
