MATERIAL SAFETY DATA SHEET
(Prepared According to 29 CFR 1910.1200)

SECTION 1 - PRODUCT IDENTIFICATION
Distributor: ZING INTERNATIONAL
Address: 201 N Federal Highway Deerfield Beach, FL 33441
Emergency Phone: (800) 233-4405
Trade Name: ZING DUST CONTROL
Product Type: Dust mop treatment

SECTION 2 - HAZARDOUS INGREDIENTS
CHEMICAL NAME/COMMON NAME        CAS NO.         PERCENT(optional)        TLV(Source)
Hydrotreated Naphthenic Petroleum Diballate       64742-53-8*                          5 mg/m³ (OSHA)
(NaTaNo)                                        5 mg/m³ (ACGIH)
Aliphatic Hydrocarbon                            8474-47-8                          200 ppm (MFR)

Other ingredients in this product are: X less than 1% by weight or less than 0.1% for carcinogens
X Not hazardous X Declared to be Trade Secret

SECTION 3 - PHYSICAL DATA
Boiling point(°F.)   Near 212
Specific Gravity(H₂O=1.0) (±0.05)       0.970
Vapor Pressure(mm Hg)       Unknown
Vapor Density(Air=1)        unknown
Solubility in water       Complete     Insoluble     X Emulsifiable (or Dispensable)
Evaporation Rates. H₂O       Faster     Slower     X About the Same
Appearance and Odor       Milky slightly viscous liquid. Pleasant odor.

SECTION 4 - FIRE AND EXPLOSION HAZARD DATA
Flammable Limits       Unknown
Upper        Unknown
Lower        Unknown
Extinguishing Media       CO₂, dry chemical, foam, water spray.
Special Fire-fighting Procedures       Do not enter confined fire-spaces without protective clothing and self-contained air supply.
Unusual Fire and Explosion Hazards       None known.

SECTION 5 - REACTIVITY DATA
Stability       Stable
Incompatibility       Strong oxidizers
Hazardous Decomposition Products       Carbon monoxide and other unidentified organic gases may occur during incomplete combustion.

SECTION 6 - HEALTH HAZARDS
Primary Routes of Exposure       Eye        X Skin        Oral  X Inhalation  Other
Signs and Symptoms       Eyes: Severe irritation, possible damage. Skin: Severe irritation, possible damage. Headache, respiratory irritation, dizziness may result from breathing vapors in high vapor concentrations such as
≥ of Overexposure       in poorly ventilated areas. Swallowing: Mucus membrane irritation. Aspiration of liquid into lungs must be avoided as liquid contact with lungs can result in chemical pneumonitis.
(acute)
Signs and Symptoms of Overexposure (Chronic)       None known.
Medical Conditions Aggravated by Overexposure       None known.
Carcinogen or Suspect Carcinogen Ingredients       NTP       IARC       OSHA       X NONE

SECTION 7 - EMERGENCY AND FIRST AID PROCEDURES
Eyes       Flush immediately with water for at least 15 minutes. Call a physician.
Skin       Wash with soap and water. Remove contaminated clothing and wash before reuse. If irritation persists, call a physician.
Ingestion   Do NOT induce vomiting. If vomiting occurs, keep head below hips to prevent aspiration into lungs. Get immediate medical attention.
Inhalation  Remove exposed person to fresh air. Treat symptomatically.

SECTION 8 - SPECIAL PROTECTION INFORMATION
Respiratory Protection       Not needed under normal conditions of use.
Ventilation Requirements       N Local Exhaust       Mechanical  Other
Eye Protection       Safety glasses/ googles
Protective Gloves       Rubber
Other Protective Clothing       May be needed if splashing or spray drift occurs.

SECTION 9 - SPILL OR LEAK PROTECTION
Steps to be Taken if Released or Spilled       Absorb with suitable absorbent. For large spills, eliminate potential sources of ignition. Dike and contain. Recover free liquid. Ventilate confined areas. Keep out of sewers and waterways.
Waste Disposal Methods       Dispose of in accordance with applicable Federal, State and Local ordinations.

SECTION 10 - STORAGE AND HANDLING INFORMATION
Precautions to be Taken in Handling and Storage       Keep container closed when not in use. Do not store near heat or open flames. Provide adequate ventilation. Avoid breathing vapors or mist. Avoid prolonged or repeated contact with skin.

The health hazards given on this Material Safety Data Sheet apply to this product in its concentrated forms as supplied and may differ significantly at use dilution. The signs and symptoms of overexposure apply only to negligence in handling or misuse of the concentrated product and not to the routine exposure to the diluted product under conditions of ordinary use.
