Dear Student: These forms are used to provide information to the instructor and to the University. They are intended to help instructors improve their own teaching, and they are also used by the University in decisions regarding reappointment, promotion and salary. The instructor should not be in the room when they are distributed and the instructor should not collect the forms. Give your completed form to the designated proctor. The instructor will not know the results of these ratings until after the semester is over and grades have been submitted. If you have concerns about the way the survey was administered, please contact the instructor's department chair or college dean.
