Martin Luther King, Jr. changed lives. We invite you to help change lives as well by becoming a sponsor of the MLK Day of Service at Villanova University. Our mission is to provide much needed volunteer work to communities around the Philadelphia area. Many places in these communities, including schools, daycares, YMCA’s, recreation centers, homeless shelters, and parks, are in desperate need for cleanup and refurbishment, but do not have the funds needed to address these problems.

MLK Day of Service is a day where people all around the Philadelphia area come together and volunteer at places in need. Villanova University has almost 1,000 volunteers every year who paint, clean, and repair items at over 30 different service sites. We spend the entire day giving back to the community around us, and help create a more positive environment at these locations.

Our work would not be possible without the help of companies like yours. Your tax-deductible donation could allow us to paint a Kindergarten classroom in Center City Philadelphia, clean bedrooms in a homeless shelter, or help to repair the pews at a local church. Your sponsorship will both benefit our efforts and enhance your company’s image of public consciousness and concern. It will also offer the opportunity to advertise your brand to hundreds of students, volunteers, and people living in the Philadelphia area.

We hope that you consider donating to the MLK Day of Service, because we need your help in order to help others. If you would like to support us as a sponsor, please complete the attached Sponsorship Form. Together, we can truly make a difference in the lives of thousands of people. Thank you in advance for your consideration and generosity.
