CAMPUS SERVICES

Microfridge Rentals
While students may choose to bring their own refrigerator and microwave, MicroFridge units are available for rent for the academic year through an outside vendor. Rental information is available at https://www.myimicrofridge.com/ or you may call 1-800-525-7307. Only one refrigerator and microwave/MicroFridge permitted per room.

Carpet and Linen Sales
The University has partnered with On Campus Marketing (OCM) to provide carpet and linen sales to resident students. Linens will be delivered home and carpets will be placed in on-campus rooms prior to arrival. For more information on how to order, please visit http://www.ocm.com/ or call 1-866-847-7365.

Cable Television
The residence halls are equipped with digital HD cable TV powered by Comcast, providing over 100 channels. Your cable TV service is active and does not require sign-up, activation, or use of a cable box, however students must provide their own coaxial cable cord. Before you can begin viewing, you must configure your TV tuner and run a channel scan. Your TV must be able to accept a coax cable input and be equipped with a QAM digital tuner. Most major brand flat screen TVs manufactured after 2006 come equipped with a QAM digital tuner. QAM is used to receive digital channels without use of a cable box. If your TV isn’t supported, you may choose to purchase a set-top QAM Tuner, replace your TV, or elect to exclusively use XFINITY On Campus™. XFINITY On Campus™ is a new service from Comcast that changes the way students watch TV by delivering live streaming TV directly to your computer and select mobile and video streaming devices such as Apple and Android. Designed exclusively for students who live on-campus, this service provides you with the ability to watch live TV from a pre-selected channel line-up and view content on-demand. Each student will also be able to upgrade their streaming service through an exclusive portal designed for Villanova students. Cable TV service and XFINITY On Campus™ streaming services are included with the cost of your housing. Premium upgrades to the streaming service can be made at an additional cost to the student.

Students will receive an on-campus mailbox located on the ground floor of Kennedy Hall. Mailbox numbers and combinations will be available online at www.housing.villanova.edu during the first week of August. Mail to students should be addressed as follows:
