CERTIFICATE IN CHURCH MANAGEMENT

VILLANOVA
BUSINESS

As disciples of Jesus Christ, we are called to be responsible stewards of the human, financial, and organizational resources entrusted to our care, yet many church leaders were never taught the sound management techniques necessary to fulfill that responsibility. This webinar series is designed specifically to fill that need.

Our distinguished team of presenters are excited to offer participants the most current church management practices designed uniquely for faith-based organizations. Participants who complete all 12 webinars and reflection papers will earn a Certificate in Church Management from the Villanova School of Business. We would be honored to have you join us, so that we can support you in your ministry to the church.

I learned so much! It was, without question, the most worthwhile and rewarding Continuing Ed program I have participated in. So many salient points were not only elucidated but made memorable.

LYNN W.

We piloted the program by sponsoring 10 parish business managers to participate. The feedback was overwhelmingly positive and we have now offered to sponsor one person per parish to earn the Certificate.

BRAD WILSON
CFO, Archdiocese of Atlanta

I have been in accounting and management for almost 40 years and learned a lot of new information over the course of these webinars. I wish I had something like this when I was starting out decades ago. I would have been so much more prepared.
