ACADEMIC INTERNSHIP PROGRAM
STUDENT GUIDELINES

Academic Internship
The Villanova School of Business (VSB), through its strategic plan, is committed to providing a world-class business education complemented by appropriate experiential learning through internships in the business community. Internships provide valuable insight into career interests, professional aspirations and personal values. These experiences present concrete opportunities for students to make tangible connections between classroom theory and practical application.

An academic internship is a pre-professional work experience, sufficiently rigorous so as to earn credit, approved by the faculty chair of the intern’s sponsoring academic area and administered through the Clay Center at VSB.

Prerequisites
- full-time, undergraduate student status in VSB or business minor program
- sophomore standing (minimum 30 credits completed)
- a minimum overall GPA of 2.5 (some employers may require a higher GPA)

Academic Credit
- **Free Elective Credits**: Three (3) free elective credits may be earned for successful completion of an academic internship. The maximum number of internship and CoOp course credits that can be used to fulfill graduation requirements is six (6). Students may complete more than one internship in the same academic discipline provided that the nature of the experiences is significantly distinct (e.g., Sales and Marketing Research) as determined by the sponsoring academic area faculty chair.

Internship courses fulfill **FREE ELECTIVE credit requirements** only and do not fulfill major or minor credit requirements. If a student has fulfilled all of his/her free elective requirements, then internship credits are designated unused credits over and above graduation requirements. Internships are graded on a Satisfactory/Unsatisfactory basis. Monetary compensation for an internship does not affect eligibility for receiving academic credit.

- **Credit Approval and Registration**: Academic credit approval for an internship must be secured and course registration must be completed BEFORE the internship begins. **NO ACADEMIC CREDIT WILL BE AWARDED FOR AN INTERNSHIP RETROACTIVELY**.

- **Summer Tuition Charge**: Students registered for a summer internship course will incur a tuition fee for the three free elective credits granted. The cost to participate in a 3-credit summer internship is $1,038. Spring and fall semester internship fees will be included in the full tuition for the semester.

- **International Internships**: Internships that are part of a study abroad experience are administered by the Office of International Studies. Credit approval for international internships is granted by the faculty coordinator of the international program.

- **Withdraw/Termination**: Students wishing to withdraw from the internship course must contact the Assistant Director for Internships/CoOps prior to the withdrawal (WX) deadline. Deadlines for fall and spring semesters can be found in the Academic Calendar. Students withdrawing from a summer internship course must do so by July 1st. If a student withdraws from an internship in which the employer requires academic credit, the internship supervisor will be notified immediately of the withdrawal. Students who do not complete the academic internship requirements will be assigned a final grade of Unsatisfactory (U). Students who are terminated from their internship by the sponsoring employer during the course of the summer/semester may be assigned a final grade of Unsatisfactory (U). Refunds as the result of official withdrawal from a summer internship course will be made according to the schedule listed below:

FAQ’S
1. Can I secure academic credit for an internship that I find outside of Villanova resources?
   Yes, upon completing the online Internship Application/Agreement, the Assistant Director of Internships/CoOps will review and work to secure approval with VSB Department Chairs.

2. How will the internship course appear on my transcript/CAPP report?
   All internships are free electives and do not count toward your overall GPA. The internship course will appear on the CAPP report as a course within the specific academic discipline in which you are registered. (i.e. ACC3450, ECON3450, FIN3450, MGT3310, MKT3450, MIS3500, RE3001)

3. How can I view my grades after the internship?
   Grades will be available via Novasis approximately 2 weeks after the internship materials are submitted for the semester.
