SBI, designed exclusively for non-business majors, is a 10-week summer program focused on business fundamentals and professional development.

WHY CONSIDER SBI?
SBI offers non-business students a unique academic option. With an integrated curriculum and a strong focus on professional development, students gain fluency and competency in business basics along with support to enhance their professional brand and explore a wider range of career possibilities.

WHO ATTENDS SBI?
Engineering, Liberal Arts, Nursing, Science and Law students - and recent grads - are among those who have successfully completed SBI.

CAN STUDENTS FROM OTHER SCHOOLS ATTEND?
Absolutely. Villanova’s Summer Business Institute is open to qualified students and graduates from any accredited college or university located in the United States or abroad. Note: International students must be matriculated in a full-time course of study at a US institution prior to applying.

CAN SBI CREDITS BE APPLIED TO MAJOR DEGREE REQUIREMENTS?
SBI credits may be applied toward major degree requirements; determination is made by students’ primary colleges/home institutions. Applicants are advised to discuss SBI credits with their academic advisors.

WHERE ARE SBI CLASSES HELD?
Classes are held on Villanova’s campus in Bartley Hall, home of Villanova School of Business (VSB).

ARE THERE ANY SPECIAL REQUIREMENTS OR MINIMUM GPA REQUIREMENTS?
Applicants must be in good academic standing and have successfully completed, or be in the process of completing, freshman year (generally 30 credits). While there is no minimum GPA requirement, a holistic review of credentials is conducted and students must demonstrate a strong academic history in order to be considered for the program.

WHERE DO SBI STUDENTS LIVE?
Students have the optional opportunity to enhance their SBI experience by living on Villanova’s campus. The residential component expands the learning environment beyond the classroom and facilitates group discussions and team projects. While living on campus is encouraged, it is not mandatory.

WHAT IS THE APPLICATION PROCESS?
The SBI application can be completed online at business.villanova.edu/sbi. Application opens December 1. Completed applications are reviewed on a rolling basis; decisions are typically provided within two weeks of receiving a completed application. Deadline to apply is April 15.
## MODULE 1

**SBI 0009 MS EXCEL**  
0 credits  
Provides a basic understanding of MS Excel functions along with financial and valuation models.

**SBI 1001 BUSINESS FUNDAMENTALS**

### SBI ALUMNI TESTIMONIALS

**ANTHONY SMAJLAJ**  
*SBI'18, Communication*

If it wasn’t for SBI I wouldn’t have found my passion and what I wanted to do with my career / life. SBI has changed me in a good way, and I am switching majors and hope to pursue a career in marketing, which I am very excited about. Although the program was very tough, it was 100% worth the time and effort!

**JULIANA DEGIOSA**  
*SBI'17, Nursing*

I chose to do SBI because any career has a business side, even nursing. With my business minor, I can choose to go into hospital administration or healthcare management.

**NATALIE LUCCIOLA**  
*SBI'19, Economics & Communication*

I am so grateful for this experience. SBI has brought me lifelong knowledge that will be applicable for professional, business, and every-day situations. The value and benefits I have reaped from this program would simply not have been attainable through an internship, or any other opportunity this summer.

**KATELYN NUCCIO**  
*SBI'17, Mathematics & Statistics*

SBI, combined with my Liberal Arts education, has taught me how to tackle professional situations and job interviews. I am happy to say that I am working at Vanguard. I owe this success to the SBI program and everything it has taught me.
