WHAT OUR STUDENTS SAY:

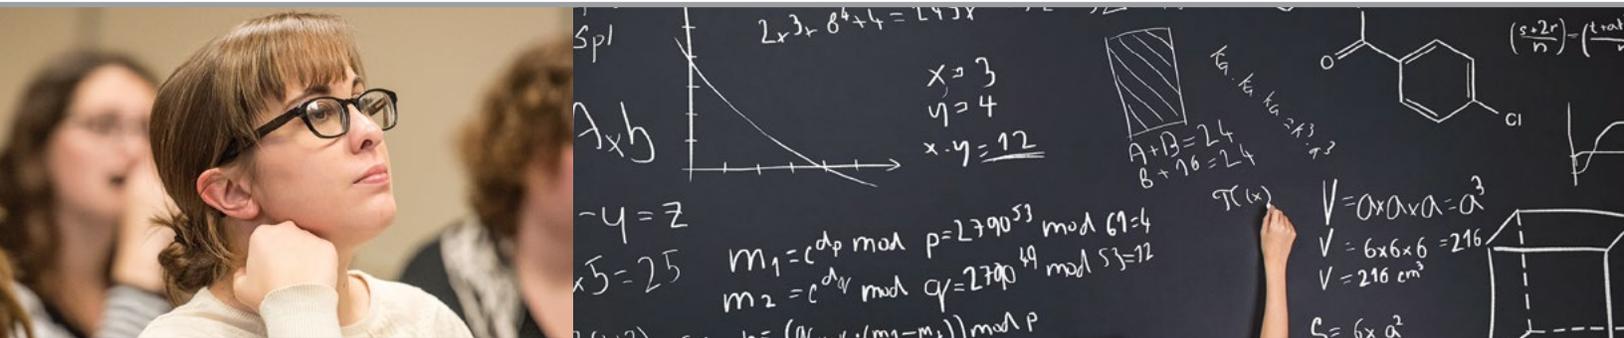

"With any challenge I have met as an educator, I have been able to fall back on my own education from Villanova."

—Conor Lynch '08 CLAS, '09 MA

"Graduate school and teacher certification programs are intensive, but being a part of a cohort made it so much easier. I immediately had 15 other people who were having the same successes and struggles that I was having. It felt great to be part of a community like that."
