Housing Guide

Villanova University does not offer any on-campus housing for graduate students. This Housing Guide is meant to give you guidance in acclimating yourself to the Villanova area, help you find housing, give you tips about moving to the region, and introduce you to the Graduate Student Housing Blog (www.villanovagradinghousing.com).

Villanova's Location

Villanova is located in Villanova, Pennsylvania. Located in Radnor Township, Delaware County, Villanova is a suburb of Philadelphia, approximately 12 miles west of Center City Philadelphia. Villanova is part of a string of small towns known as the "Main Line." The Main Line refers to the suburbs located west of the city along the SEPTA Paoli/Thorndale train line. Some of the towns along the Main Line, include, Merion Station, Narberth, Wynnewood, Ardmore, Haverford, Bryn Mawr, Rosemont, Villanova, Wayne, and Devon. Any of these towns would be no more than a 15-20 minute drive from Villanova's campus. If you are using your GPS, you will want to use "800 Lancaster Avenue, Villanova, PA 19085" to locate campus.

Transportation

Villanova's campus is very conveniently located both by car and also public transportation.

By Car

If you plan to bring a car, please be aware that Pennsylvania has some of the highest vehicle insurance rates in the country, as well as a more complicated automobile registration process. If it is at all possible and you do not need to establish residency, you may want to consider keeping your former license and registration. If you do bring a car, you will need to pay for a parking pass each semester at Public Safety in Garey Hall.

Web-based parking registration is available to all full and part-time graduate students. To access this form you will need your MyNova ID and Password. Once the form is completed on-line the parking permit price is automatically billed to your student account. It's easy and hassle free. To register for parking just go to: <https://novasis.villanova.edu>, click on secure login, and the link, "Personal Information." If you are not sure of your MyNova Password click on "Don't know your Novasis Pin?" This will allow you to acquire your Novasis password information. Permit pick-up is available at Garey Hall - Monday through Friday from 8:00 a.m. to 4:00 p.m. Please feel free to contact the Parking Office with any questions at 610-519-6992 or email Parking@villanova.edu.

The annual parking permit fee for part-time students who do not plan to be on campus during the day is \$50 per year. If you are a full-time student or graduate assistant and plan to be on campus during the day, the parking permit fee is \$100. The permit is good from August–August of each year. This information is current as of 2017-18.

Parking in center city Philadelphia can be expensive and challenging to locate, so even those who do have cars will often take the train for convenience. If you live on the Main Line, it is generally not difficult to find parking near or where you live. However, it is highly recommended that you discuss parking issues with the landlords of housing you are considering, as there are sometimes extra fees involved.

Public Transportation

Living in one of the towns along the Main Line without a car is definitely possible. However, if you do plan to live in the area without a car, please keep in mind that some areas will have more conveniences than others. Ardmore and Wayne, both with stations on the Paoli/Thorndale line, are probably the most conducive to living without a car. In addition, living in certain areas of Philadelphia is also very convenient for commuting to campus by train.

The public transportation service for Philadelphia and surrounding suburbs including Villanova University is SEPTA (South Eastern Pennsylvania Transportation Authority). There are two SEPTA train stations on-campus: the R5 Paoli/Thorndale Regional Rail located between the Mendel Parking Lot and the Springmill Garage, as well as the R100 train/Norristown High Speed line, with platforms near and East of the I-1 Parking Garage. SEPTA trains travel to 30th Street Station in Philadelphia, which is located in the center of Philadelphia and serves as a major hub, providing train, trolley and bus service throughout the area, including the Philadelphia International Airport. The 30th Street, Ardmore, and Paoli stations are also direct access points for AMTRAK.

Two SEPTA bus routes also operate along Lancaster Avenue, providing service throughout the Main Line. Check www.septa.org for current train and bus schedules and fares.

SEPTA Transportation

SEPTA Passes can be purchased at the Paoli Thorndale station, located behind Mendel Hall, as well as online at: <https://shop.septa.org> and on the train itself

Zipcar

want to bring their car to campus, reducing the amount of parking needed on campus. To sign up go to the Zip Car website. Information and reservations are available at:

Housing

Finding an apartment or house can often seem daunting, especially when relocating from another city, state, or country! There are many different apartment buildings and homes for rent throughout the region. On the main line alone, there are four different colleges so many of these apartment complexes are accustomed to working with graduate students. As a rule of thumb, the farther away you live from the Main Line and from Villanova, the cheaper your rent will be. However, this is not always the case and some towns such as Ardmore, Narberth, and Havertown (Delaware County) tend to be a bit less expensive and are very convenient to Villanova. Wayne, Devon, Conshohocken, Manayunk, and King of Prussia are also a little less expensive and are within 20 minutes' drive.

The following approximations are monthly rental rates for the average apartment (not including utilities, although some apartments include utilities in the rent). Please keep in mind these are included to give you a general idea of what you can expect to pay in the area, although some rents will be lower or higher.

Studios/efficiencies:	Starting at \$800
One Bedrooms:	Starting at \$900
Two Bedrooms:	Starting at \$1200
Room Rental:	Starting at \$500

Apartment vs. House

In this area there are many students who will live in a room or “apartment” in someone’s house. The rent in this situation is typically cheaper. In addition, sometimes students will get together and rent a house for a year. The best method for finding this type of option is to check our Graduate Student Housing Blog at: www.villanovagradhousing.com.

Places to Live

Some of the popular areas that our graduate students live are:

- Main Line towns including, Narberth, Wynnewood, Ardmore, Haverford, Bryn Mawr, Rosemont, Wayne, Devon
- Philadelphia (neighborhoods including Center City, University City, South Street, Bella Vista, Fairmount)
- Manayunk/Roxborough*
- Conshohocken*
- King of Prussia/Valley Forge*
- Norristown*

*Not convenient if you do not have a car
For a listing of apartment complexes in each of these areas, please visit this website:

Please feel free to contact the Graduate Studies Office if you have any questions or concerns about where to live by emailing us at gradinformation@villanova.edu.

Finding a Roommate

The Office of Graduate Studies hosts an online Graduate Student Housing Blog at www.villanovagradhousing.com. We hope this blog will assist you by providing:

- Online posts of local rental opportunities targeted at graduate students
- A forum for graduate students to connect with other Villanova graduate students for roommates
- A place for our students to post recommendations and advice relating to housing in the area

If you have any questions about the blog, or need help posting your entry, please email gradinformation@villanova.edu.

Furniture

Some apartment complexes offer furnished apartments and there are now even companies that offer rental furniture for students. However, these options can be expensive.

If you are looking for used furniture, you should check local thrift shops that often have a great selection. The Bryn Mawr Hospital Thrift Shop (County Line Rd. in Bryn Mawr), The Junior League Thrift Shop (Lancaster Ave. in Ardmore), and the Pennywise Thrift Shop (Lancaster Ave. in Ardmore) are all excellent options.

For new furniture at reasonable prices, you can visit the Ikea in Conshohocken (about 20 minutes from Villanova). There are also many local malls and shopping centers that include stores such as Target, Bed, Bath and Beyond, or Walmart.
