

Application for Graduate Assistantship or Fellowship

Please complete the below application in order to apply for a Graduate Assistantship (GA) or fellowship position. These positions provide tuition remission for the total number of credits required for the degree plus a stipend. All applicants will be considered based on all components of their application, including: undergraduate education, letters of recommendation, GRE scores, personal statement, and individual experience. To be eligible for a scholarship, students must have submitted all application materials to the HRD office by **March 1st**. Potential candidates will be contacted directly with request for an interview.
