Annual Math Faculty/Staff vs. Student Softball Game

Softball Game and Barbeque

May 5th, 2006

Come out and join students, faculty
and staff for a friendly game of softball!

PI MU EPSILON INDUCTION AND ADDRESS

On reading day, Friday, May 5, Pi Mu Epsilon will be holding their annual induction and address.

The guest speaker will be Stephanie Frank Singer, who gave up a tenured position in mathematics at Haverford College to work for Campaign Scientific, a company that provides data consulting and analysis for election and advocacy campaigns.

Dr. Singer will talk about mathematics and election data.

She has also written two undergraduate books on symmetry and mathematical physics.

The time of the event will be announced later.

Iron Math Competition

April 28th
In the MLRC
More Details to Come

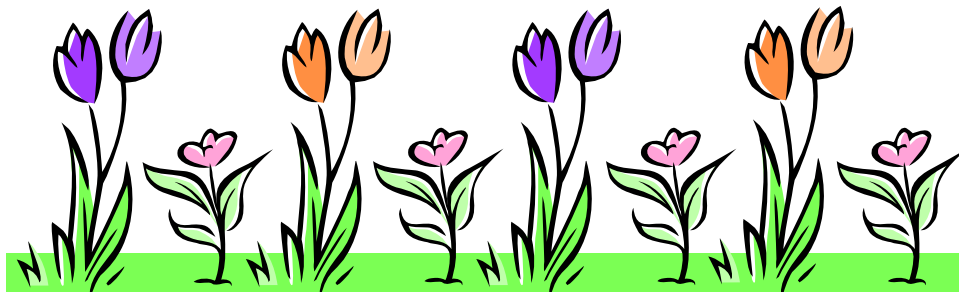

Math Club

The Math Club will be hosting several events throughout the remainder of the spring semester which are open to all who would like to attend. There will be a second annual Bowling Night in February, a Pi Day celebration in March, hopefully a Career Night in April, and of course the end of the semester will hold the Math Faculty/Staff vs. Student BBQ/Softball game. Additionally, if we choose to order Math Club t-shirts for 2006, we must design and place an order soon. Please submit your ideas!

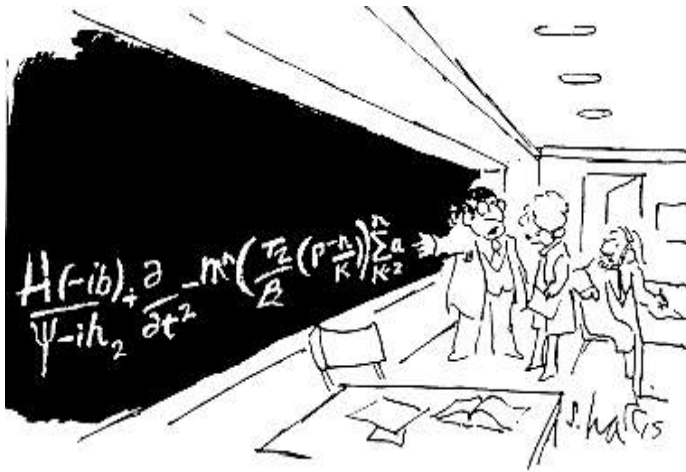

If you are interested in participating in any of these events and/or have any ideas for additional Math Club events, please contact:

stephanie.kersting@villanova.edu

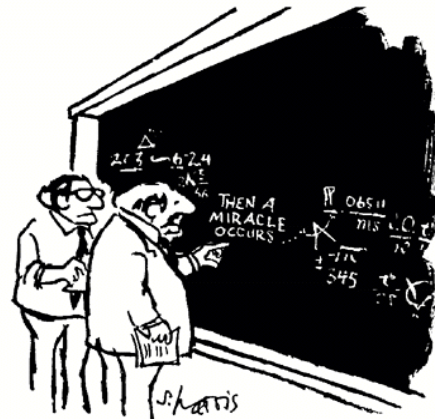

An email will be sent with more information concerning our next meeting. Hope to see you there!

Math Humor

"But this is the simplified version for the general public."

"I THINK YOU SHOULD BE MORE EXPLICIT HERE IN STEP TWO."
