In preparation for the Career Fair, the Career Center hosts an employer Resume Review Day where students can drop in and get instant feedback on their resumes. Come review resumes for students from Science, Technology, Engineering and Math (STEM) disciplines.

In preparation for the Career Fair, the Career Center hosts an employer Resume Review Day where students can drop in and get instant feedback on their resumes. Come review resumes for students from the College of Liberal Arts & Sciences and the Villanova School of Business.

The Inclusive Hiring Meetup allows you to showcase how you support equity and inclusion at your organization. Promote opportunities that speak to your diversity recruiting initiatives. Celebrate the growing diversity in our community with us!

The Underclassmen Business Meetup is for organizations that have an early talent pipeline and are recruiting first-year and sophomore students from all majors, for finance and business-related roles. This is a smaller, more casual-style networking event that takes place immediately before the Fall Career Fair.

The Liberal Arts and Sciences Meetup is open to our valued employers who are interested in speaking with College of Liberal Arts and Sciences students. Network in a casual environment with students that are eager to explore the world of work. This event takes place immediately before the Fall Career Fair.

Our Fall Career Fair is Villanova’s largest recruiting event. Promote your open internship and full-time opportunities to more than 1,800 students and alumni of all years and majors.

The BRIDGE Society, a student organization in the College of Liberal Arts and Sciences, invites you to attend this mentoring and networking event to help students navigate career decisions in finance and financial services.

This informal networking event for students with varying abilities and disabilities is an ideal place to connect to talent. This is perfect for an employer who has a recruitment program that specializes in creating inclusive communities within your organization.

Express Your Interest!
Registration for the following programs will open soon. To express your interest, please fill out our Event Interest Form.

Pre-Career Fair Meet & Greet for LEVEL Students
Thursday, September 10 | 2-3pm | Connelly Center
At this small, informal event, you will meet students involved in LEVEL, a student organization dedicated to bridging the gap between individuals with varying abilities and disabilities.

Career Compass Engineering Mock Interviews
Tuesday - Thursday, October 27-29 (Sign up for half-day, full-day or multiple days) | 9am-5pm | Garey Hall Suite 117
Volunteer for the College of Engineering’s Career Compass Mock Interview program, in which all sophomore engineering students participate. Conduct practice interviews with students across all disciplines to provide career readiness for first-time interviewees. Brand your organization for future internship and full-time opportunities.

College of Engineering Networking Dinner hosted by Society of Women Engineers (SWE)
Wednesday, November 18 | 5:30-8pm | Villanova Room, Connelly Center
This annual dinner and networking event, sponsored by the Society of Women Engineers, brings together engineering professionals, alumni and students. It is a celebration of women in engineering and is open to all engineering students.

Villanova School of Business (VSB) Careers in Corporate Finance Program and Networking Reception
TBD
This session allows you to highlight your organization's career opportunities within corporate finance with a focus on rotational programs. Connect with first-year and sophomore students in small table talks followed by a larger networking reception.

ACE Program Events
TBD
ACE stands for “Access. Confidence. Exposure.” The ACE Program is a career-confidence-building experience that gives participating students access to opportunities to deeply explore their strengths, learn about a variety of careers and meet with employers & alumni to expose them to internships and post-graduate opportunities. Fall 2020 Events for ACE are currently being planned. By expressing your interest, you will be contacted once events are finalized.
