ACE Showcase
Thursday, March 12 | 6-8pm | Career Center
ACE is a career confidence-building program that gives participating students, who come from underrepresented populations on campus, access to opportunities to explore their strengths and learn about careers. Celebrate with students in this culminating event where they will present their strengths and how they relate to their desired career journey.
The BRIDGE Society, a student organization in the College of Liberal Arts and Sciences, invites you to attend this mentoring and networking event to help students navigate career decisions in management consulting.

The BRIDGE Society, a student organization in the College of Liberal Arts and Sciences, invites you to attend this mentoring and networking event to help students navigate career decisions in the social impact and non-profit space.

During this casual, meet-up style event, we’re inviting our graduating seniors to meet with well-respected employers like you - not only learn about available opportunities right now, but also to discover the skills needed to conduct a successful job search and build a career. Meet and recruit impressive graduating seniors that still are active in the job and/or post-graduate experience hunt. Take advantage of the opportunity to fill your entry-level roles with highly-motivated, promising candidates.

The Social Impact Virtual Career Fair is an online virtual career fair through Brazen. This virtual fair is for students and employers dedicated to having a social impact in the non-profit, government and health and human services sectors.
