We invite you to #HireNova this fall by participating in our recruiting and engagement opportunities. Register now or express your interest in events that include career fairs, networking and professional development.

In alignment with Villanova’s Augustinian values and continuation from 2020-2021, registration fees will go to the Career Center’s Student Experience Fund, helping students engage in critical professional and personal development experiences such as unpaid and low-paying summer internships, research and more. Your support is greatly appreciated. If you want to discuss other ways to connect with our Wildcats please email hirenova@villanova.edu.

The University Career Center is offering both in-person and virtual event options to meet your recruiting goals. As the University and CDC provide additional COVID-19 guidelines, we will review these changes and adjust events as necessary. We thank you in advance for your understanding and flexibility.
