We invite you to #HireNova this spring by participating in our recruiting and engagement opportunities. The Villanova University Career Center is offering both in-person and virtual event options to meet your recruiting goals. Register now or express your interest in events that include career fairs, networking and professional development.

Aligning with Villanova’s Augustinian values, all proceeds from our employer partnership program support the Career Center’s Student Experience Fund, enabling students with financial need to participate in experiences such as interviews, travel to conferences, and unpaid or low-paying summer employment.

The BRIDGE Society, a student organization in the College of Liberal Arts and Sciences, invites you to attend this mentoring and networking event to help students navigate career decisions in consulting.

The BRIDGE Society, a student organization in the College of Liberal Arts and Sciences, invites you to attend this mentoring and networking event to help students navigate career decisions in the social impact space (Education, Psychology and Non-Profit).

This intimate, informal, drop-in style event is for students and organizations dedicated to having a social impact in the non-profit, government and health and human services sectors.

A casual networking event for students to meet with organizations’ affinity or employer resource groups. Students will learn from employer representatives who have similar career or life experiences. The Career Center is seeking representatives who actively participate in affinity or ERGs.

This event is designed to empower and connect our undergraduate male students of color with men of color from various career fields. There will be professionals from various companies and career backgrounds there to meet and network with our students. This event will be a great opportunity for students to learn more about their career path, meet professionals and "make connections" that can impact their future in a positive way.

A half-day site visit for students to connect with organizations that are actively involved and committed to diversity, equity and inclusion in the workplace. Students will engage with employers to learn more about their initiatives as well as internship and employment opportunities.
