THE UNIVERSITY COMPLIANCE OFFICE

oversees the compliance and ethics program, which supports Villanova's mission and its community of faculty, staff and students in the pursuit of their academic, administrative, athletic, engagement and research activities. All members of the Villanova community should strive to create an environment that promotes the highest ethical standards in all that we do.

WHAT WE DO

• Identify and assess risks, and select appropriate management strategies to lessen their possible impact;
• Coordinate compliance-related functions and offices throughout campus; and
• Assure internal and external stakeholders of Villanova's diligence in keeping compliance and ethics considerations at the core of how we conduct ourselves as stewards of the University and its resources.
