Villanova University's Summer Intern Housing Program allows out-of-town students to consider the Greater Philadelphia area for summer internships, knowing that they can secure high-quality, affordable housing near their places of employment.

For area employers, the Intern Housing Program constitutes a valuable resource for recruiting students from colleges and universities across the country to spend their summer in the five-county Philadelphia region and beyond. The opportunity for Employer-University Housing Reservation Contracts exists as well.

For an in-depth program description, additional photos and online registration, visit the Intern Housing Program website:
