VUGuest Wireless Network Access Instructions
Villanova University – Office of Conference Services

1. Connect to the guest wireless network ("VUGuest", NOT “VUMobile”) and open any browser.

2. You will be redirected to the “Villanova Guest WiFi Self-Registration Portal” page. Please follow the simple steps below to create your individual username and password. Guest accounts are valid for 24 hours; you will be prompted to create a new account at that time if your stay is longer than 24 hours or if you are here e.g. once a month. (If you are not redirected, no username/password is required and you will be online automatically after connecting to the guest wireless network.)

**STEP 1:** On the self-registration portal page, fill in the required information (your name, cell phone number, cell phone provider, e-mail address) and check the check box to confirm your acceptance of the Terms of Use. Then click “Register”.

**STEP 2:** After clicking “Register”, you will be redirected to the “Visitor Registration Receipt” page which contains your **username (your e-mail address)**. Your password will be sent to you via SMS/text message to the cell phone number provided during registration. Click “Log In”.
