

# **Student Life Committee**

**February, 2016**

The Student Life Committee met on Nov. 20, 2015. The focus was on the expression of student concerns regarding the arming of Public Safety. Questions raised including what form training would take, how would Alcohol violations be handled, would there be an Oversight Committee and how would it be structured, would officers need search warrants to search a dorm room, should the Public Safety Office be in Garey which houses both departments and classrooms, what weapons will be carried, what will the budget implications be and can Public Safety/Villanova Police develop a relationship of trust with ALL students, including students of color? Students would also like to be informed as to whom to contact in case of an emergency and what exits should be used from a classroom.
