Your eligibility for assistance is based on information that you provided on the CSS Profile along with other supporting documentation. You must notify the Office of Financial Assistance of any changes in information originally reported since these differences may have an effect on your award(s).

Financial aid is renewable on an annual basis for the same amount listed on the enclosed award letter, as long as you reapply and submit the necessary need-based financial aid applications, continue to demonstrate similar financial need, make Satisfactory Academic Progress and are enrolled full-time. While we recognize that some students’ countries may experience currency devaluation over their tenure at Villanova University, the University is unable to provide additional funding to account for any currency fluctuations.

If you have any questions after reviewing these materials, visit our website or contact our Office. You may also access information regarding your financial aid award via your Applicant Status Page at https://discover.villanova.edu/account/ or MyNova account (once deposit is made).
