FEDERAL DIRECT LOANS

FEDERAL DIRECT UNSUBSIDIZED LOAN

A Federal Direct Unsubsidized Loan is awarded to all eligible graduate students regardless of income. Interest accrues from the time the funds are disbursed. You may elect to pay the interest while you are enrolled or allow it to accrue and be capitalized (added to the principal balance) at the end of your grace period.

Villanova University uses a Borrower-Based Academic Year for some graduate programs so that the students can maximize their Federal Direct Loan borrowing. To learn more about the borrower-based year, visit the Graduate Student Webpage at www1.villanova.edu/villanova/enroll/finaid/process/graduates.html.

If you wish to change the amount of your Federal Direct Loan, email the Villanova University Office of Financial Assistance at finaidloan@villanova.edu.

FEDERAL DIRECT GRADUATE PLUS LOAN

A Federal Direct Graduate PLUS Loan is a way for graduate students to help meet additional costs beyond the Federal Direct Unsubsidized Loan. Interest is charged on Federal Direct Graduate PLUS Loans during all periods, beginning on the date of the first loan disbursement. A Federal Direct Graduate PLUS Loan borrower may either pay the interest as it accrues during a deferment or allow it to accrue and be capitalized at the end of the deferment period. Federal Direct Graduate PLUS Loans are not based on need, but on creditworthiness.

When you apply for a Federal Direct Graduate PLUS Loan, the US Department of Education will check your credit history. To be eligible for a Federal Direct Graduate PLUS Loan, you must not have an adverse credit history. If you are found to have an adverse credit history, you may still borrow a Federal Direct Graduate PLUS Loan with an endorser who does not have an adverse credit history. If you are denied for a Graduate PLUS Loan and later approved with an endorser or through the appeal process, you must complete PLUS Loan Counseling at studentaid.gov. The Federal Direct Graduate PLUS Loan cannot be disbursed until the counseling has been completed. In some cases, you may be able to obtain a Federal Direct Graduate PLUS Loan if you document that there are extenuating circumstances related to your adverse credit history.

To apply for the Federal Direct Graduate PLUS loan, please follow these steps:

1. Go to studentaid.gov to complete the Federal Direct Graduate PLUS Loan application.
2. Upon approval of the Federal Direct Graduate PLUS application and credit check, follow the next step online at studentaid.gov to sign the MPN.

PRIVATE EDUCATIONAL LOANS

A private (i.e., non-federal) educational loan enables full- and half-time students to pay for tuition and other costs associated with a college education.

Students who have applied for a private educational loan, but have not completed the financial aid application process for federal student aid review, will be contacted via email by the Private Educational Loan Certification Team to ensure the student has reviewed all their financing options before proceeding with the certification of the private educational loan.

BORROWER ELIGIBILITY

The borrower of a private educational loan is the student. Since the private loan is based on creditworthiness, creditworthy individuals may act as co-signers on this loan. (While some lenders will allow students to borrow without a co-signer, Villanova University highly recommends the use of a co-signer.)

To be considered for a private educational loan, a student borrower and/or the co-signer may be asked to meet certain criteria:

- Be enrolled in certain eligible programs of study
- Citizenship requirements
- Underwriting guidelines
- Enrollment requirements
- Matriculation requirements

LENDERS

Borrowers may select any eligible and participating lender of their choice. You may want to contact the bank, savings and loan, or credit union with whom you regularly do business.

A list of Villanova University Preferred Lenders is available through Elm Select. Please visit their website at www.elmselect.com/link/query?schoolid=360.

DISBURSEMENTS

Disbursements are made through electronic funds transfer (EFT) or by check directly to Villanova University. Funds are disbursed to your account at the beginning of each semester.

FEES

Fees may be charged for a private educational loan and may be tied to the borrower's and co-borrower's creditworthiness. (Servicer may charge fees based upon creditworthiness)

INTEREST RATES

Private educational loans offer a variable or fixed interest rate. These loans are tied to an index, such as LIBOR or Prime, plus a margin. The interest rates and fees you pay on a private loan are based on your credit score and the credit score of your co-signer, if you have one.

REPAYMENT

A lender may offer a variety of repayment options. While most lenders will allow the student to delay repayment while the student is enrolled at least half-time, you must confirm with your lender the options that are available. For example, the lender may allow for deferment of principal but may require a borrower to either pay interest during this time or allow the interest to accumulate and then be capitalized (added to the principal balance) after the school deferment ends.

BORROWER BENEFITS

Lending (servicer) may offer borrower benefits, such as the following:

- Co-signer release options
- Rate reductions for borrowers who elect monthly payments that are automatically deducted from a bank account
- Consolidation
- Rate reduction after a specified number of on-time payments

Check with your lender for the benefits that most appeal to you and your financial needs.

Common types of forbearance include Temporary Hardship, In-School Forbearance, Economic Hardship, Natural Disaster and Military Service.

GRACE PERIOD

The six-month, payment-free period that follows the student's graduation, withdrawal or dropping below half-time enrollment status. During this time, interest will accrue.

Students must be making SAP to receive Federal Student Aid. Refer to the Policies section of our website at finaid.villanova.edu for Villanova's Satisfactory Academic Progress Policy.

COSTS FOR THE 2021-2022 ACADEMIC YEAR

Each student is provided with a cost of attendance at Villanova University. The cost of attendance is a combination of direct and indirect expenses a student may incur while enrolled in classes. The cost of attendance reflects the maximum amount of financial assistance a student may receive within an academic year.

DIRECT COSTS

Tuition costs are dependent upon the graduate program and college. Visit bursar.villanova.edu for cost information. There is a general fee of \$50 for each semester for graduate students.

INDIRECT COSTS

These are additional costs the University does not bill you; however, they are included in the cost of attending Villanova in order to calculate your aid eligibility.

- Books: \$940 for fall and spring semesters
- Supplies: \$160 for fall and spring semesters

Independent Student Allowance for housing (including food and rent/mortgage), transportation and miscellaneous expenses.

- On Campus Programs: \$21,540
- Online Programs: \$14,430

Summer costs are a separate calculation in addition to the fall and spring cost of attendance. The summer costs are dependent upon the number of credits you enroll in and the length of the summer sessions you attend. For example, if you only attend Summer Session I, we would determine living expenses for that time period only.

Please note: If you are borrowing for living expenses and/or books, refunds may not be available until 10 business days after the start of the semester. Please plan accordingly to cover initial expenses out-of-pocket.

E-REFUNDS

If the total aid applied to your account creates a credit balance, then you will typically receive a refund within 7-10 business days. The time frame for disbursing loan funds and receiving refunds cannot be changed; therefore, we recommend that you be prepared for any expenses you may incur before your refund becomes available, such as moving expenses, rental deposits, etc.

Your credit balance can be refunded to you by direct deposit into your personal bank account by signing up for e-Refund.

- The e-Refund enrollment form can be found in your **MyNova** account through the Bursar Tab: Student Refund Request.
- Complete the requested information and submit.
- The setup and verification process takes approximately two weeks.
- When completed, any future refund requests will be processed as direct deposit and available between 2 to 7 days depending on the semester refund schedule.

If you have any questions regarding this process, please contact the Bursar's Office. Please refer to the back cover of this booklet for their contact information.
