UNDERSTANDING YOUR FINANCIAL AID

GRADUATE STUDENTS 2022-2023
The Office of Financial Assistance at Villanova University is pleased to notify you of your financial aid eligibility and to explain the sources of financial aid that you may be qualified to receive.

Please visit our Graduate Student webpage at finaid.villanova.edu for the most up-to-date information.

Villanova University is committed to providing students with a rigorous, rewarding, transformative educational experience. We are equally committed to helping students make that experience affordable.

Realizing that your eligibility for financial aid may not, when combined with your ability to pay, meet all of your educational expenses, we have several financing options available which include:

**FEDERAL DIRECT UNSUBSIDIZED LOAN**
A Federal Direct Unsubsidized Loan is awarded to all eligible graduate students regardless of income. Interest accrues from the time the funds are disbursed. You may elect to pay the interest while you are enrolled or allow it to accrue and be capitalized (added to the principal balance) at the end of your grace period.

Villanova University uses a Borrower-Based Academic Year for some graduate programs so that the students can maximize their Federal Direct Loan borrowing. To learn more about the borrower-based year, visit the Graduate Student Webpage at www1.villanova.edu/villanova/enroll/finaid/process/graduates.html.

If you wish to change the amount of your Federal Direct Loan, email the Villanova University Office of Financial Assistance at finaidloan@villanova.edu.

**FEDERAL DIRECT GRADUATE PLUS LOAN**
Graduate students may be eligible to borrow through the Federal Direct Graduate PLUS Loan. The program which gives graduate students a viable alternative to private loans in situations where a student’s Federal Direct Unsubsidized Loan has not covered all costs. It has a fixed interest rate and various repayment terms. Receipt of a Federal Direct Graduate PLUS loan is based on the creditworthiness of the borrower. Rates are subject to change July 1 of each year.

**PRIVATE EDUCATIONAL LOANS**
We encourage you to learn about available Private Educational Loan Programs at www.elmselect.com/link/query?schoolid=360 and compare them to the Federal Direct Graduate PLUS Loan to determine which one best meets your needs.

**VILLANOVA UNIVERSITY TUITION PAYMENT PLAN**
Through our experience, we have found that many students find it convenient to pay for college expenses through a monthly payment plan, which is offered exclusively through NelNet. Please contact the Bursar’s Office at 610-519-4258 for more information about payment plans for graduate programs.
FEDERAL DIRECT GRADUATE PLUS LOAN

A Federal Direct Graduate PLUS Loan is a way for graduate students to help meet additional costs beyond the Federal Direct Unsubsidized Loan. Interest is charged on Federal Direct Graduate PLUS Loans during all periods, beginning on the date of the first loan disbursement. A Federal Direct Graduate PLUS Loan borrower may either pay the interest as it accrues during a deferment or allow it to accrue and be capitalized at the end of the deferment period. Federal Direct Graduate PLUS Loans are not based on need, but on creditworthiness.

When you apply for a Federal Direct Graduate PLUS Loan, the US Department of Education will check your credit history. To be eligible for a Federal Direct Graduate PLUS Loan, you must not have an adverse credit history. If you are found to have an adverse credit history, you may still borrow a Federal Direct Graduate PLUS Loan with an endorser who does not have an adverse credit history. If you are denied for a Graduate PLUS Loan and later approved with an endorser or through the appeal process, you must complete PLUS Loan Counseling at studentaid.gov. The Federal Direct Graduate PLUS Loan cannot be disbursed until the counseling has been completed. In some cases, you may be able to obtain a Federal Direct Graduate PLUS Loan if you document that there are extenuating circumstances related to your adverse credit history.

Each student is provided with a cost of attendance at Villanova University. The cost of attendance is a combination of direct and indirect expenses a student may incur while enrolled in classes. The cost of attendance reflects the maximum amount of financial assistance a student may receive within an academic year.

DIRECT COSTS
Tuition costs are dependent upon the graduate program and college. Visit bursar.villanova.edu for cost information. There is a general fee of $50 for each semester for graduate students.

INDIRECT COSTS
These are additional costs the University does not bill you; however, they are included in the cost of attending Villanova in order to calculate your aid eligibility.

- Books: $940 for fall and spring semesters
- Supplies: $160 for fall and spring semesters

Independent Student Allowance for housing (including food and rent/mortgage), transportation and miscellaneous expenses.

- On Campus Programs: $22,920
- Online Programs: $15,350

Summer costs are a separate calculation in addition to the fall and spring cost of attendance. The summer costs are dependent upon the number of credits you enroll in and the length of the summer sessions you attend. For example, if you only attend Summer Session I, we would determine living expenses for that time period only.

Please note: If you are borrowing for living expenses and/or books, refunds may not be available until 10 business days after the start of the semester. Please plan accordingly to cover initial expenses out-of-pocket.

E-REFUNDS
If the total aid applied to your account creates a credit balance, then you will typically receive a refund within 7-10 business days. The time frame for disbursing loan funds and receiving refunds cannot be changed; therefore, we recommend that you be prepared for any expenses you may incur before your refund becomes available, such as moving expenses, rental deposits, etc.

Your credit balance can be refunded to you by direct deposit into your personal bank account by signing up for e-Refund.

- The e-Refund enrollment form can be found in your MyNova account through the Bursar Tab: Student Refund Request.
- Complete the requested information and submit.
- The setup and verification process takes approximately two weeks.
- When completed, any future refund requests will be processed as direct deposit and available between 2 to 7 days depending on the semester refund schedule.

If you have any questions regarding this process, please contact the Bursar’s Office. Please refer to the back cover of this booklet for their contact information.
You will need to reapply for financial aid each year. Cost of Attendance is subject to change in future years. If you are applying for a fall/spring Federal Direct Loan, you need to reapply by the end of June in order to ensure the timely processing of your Federal Direct Loan. A complete application includes a renewal FAFSA and Villanova University Graduate Student Supplemental Application for Loan Assistance.

If you are applying for a summer Federal Direct Loan, please complete the application process as soon as possible after summer registration has taken place. All summer Direct Loan requests are processed in the order they are received. The review of summer Direct Loan requests commences once fall and spring grades are reviewed for Satisfactory Academic Progress.

You must maintain Satisfactory Academic Progress in order to be considered for financial aid each year. Please consult www1.villanova.edu/villanova/enroll/finaid/policies/academic_progress.html for more information about Satisfactory Academic Progress.
