Villanova University may consider an application based on the actual amount of the student's (and spouse's, if married) unreimbursed medical/dental expenses if those expenses exceed 4.3% of the total income, including the adjusted gross income reported on the 2020 US Income Tax Return. You should provide the requested information regarding family medical/dental expenses and return it to the Office of Financial Assistance.

If additional clarification is needed, we reserve the right to request additional documentation, including copies of paid bills/statements related to Items 1 and 3 that were not covered by insurance. Your request will NOT be reviewed unless you list an itemized summary on the next page. We cannot consider expected or anticipated expenses, only those actually incurred.
