Villanova University may grant the right to drive University owned, leased, or rented vehicles to a student only if the student meets the criteria in the Motor Vehicle Record Policy for Drivers of University Vehicles and follows the required steps to become a University Approved Driver. In order to apply to become a University approved driver, all students, including all graduate students and interns, must complete the online Driver Safety Training Course. Once you have completed the online Driver Safety Training Course, the completed Motor Vehicle Record Consent Form, including a readable copy of your current driver’s license, must be submitted to the Insurance and Risk Management Department.

Insurance and Risk Management will conduct a motor vehicle record check to determine if your motor vehicle record meets the criteria for becoming a University approved driver (please see the Motor Vehicle Record Policy for Drivers of University Vehicles for additional information). If your MVR is found to be acceptable, the Insurance and Risk Management Department will send an email to you and copy the department(s) for which you applied for drive with confirmation that you are a University approved driver.

Please contact the Insurance and Risk Management (610-519-8862) if you have any questions.
