Once all three sections are completed, forward the RFP to the Procurement Department for payment. Payment will be made to the vendor based upon the payment terms set up for that vendor. Most RFP’s are entered into the Banner System within ten (10) days of being submitted to Procurement. Please be advised that this is an approximate time frame, and is subject to change.

Please Note:
New vendors require a Vendor Profile/W-9/Insurance Certificate to be completed by the department and approved by Procurement before any RFP can be processed and payment made to the vendor.
