**Students may not take fewer than 12 or more than 18 credits per semester.**

**Prerequisites:**
Students must check the course descriptions for every course before registering to determine if the course carries a pre- or co-requisite. Because we require students to register for a full year of classes during the registration period, the online registration program (NOVASIS) will not prevent you from registering for a class for which you do not have the prerequisite, however, you will not be granted credit for any course you take without having completed the prerequisite, even if you complete the entire semester. Full course descriptions are available on the Registrar’s website, and students are required to review them before registering.
