Advanced Insurance Law: Coverage Disputes (5030)	Samuel J. Arena, Jr.	<p>"Welcome to Advanced Insurance Law: Coverage Disputes (ALL Coverage Disputes).</p> <p>I am looking forward to our first class on Monday, January 23.</p> <p>In preparation for our first class, please see the Unit One, Session One, posting on Blackboard for PDF copies of the course materials for your Session One reading assignment.</p> <p>As a practical legal writing and law practice simulation course, ALL Coverage Disputes is grounded in a hypothetical insurance coverage dispute that will provide the context for us to address significant current insurance law coverage dispute issues encountered by insurance coverage attorneys. We will assume the roles of policyholder counsel and insurance company counsel as we analyze a variety of insurance coverage issues and draft and discuss documents typically drafted by insurance coverage practitioners (e.g., coverage analysis memoranda, reservation of rights letters, and policy limit settlement demand letters). As insurance coverage counsel, we will discuss your coverage analyses and conclusions during our "office meetings" throughout the semester.</p> <p>ALL Coverage Disputes will provide you with the opportunity to develop skill sets and insights essential to the practice of insurance coverage law, while gaining practical experience and insights into practicing law in the law firm or in-house company legal department settings. These experiences, skill sets, and insights are not limited to the practice of insurance coverage law and have application to the practice of law in other substantive law and practice contexts.</p> <p>I look forward to seeing you all on Monday, January 23, and working with you this semester!</p> <p>Sam Arena Stradley, Ronon, Stevens &amp; Young, LLP"</p>
