3RD EDITION

Sport, Culture and Society
An introduction

Grant Jarvie, University of Edinburgh, UK, James Thornton, London Business School, UK and Hector Mackie, University of Toronto, Canada

Now in a fully revised, updated and expanded third edition, this critical, challenging and comprehensive textbook introduces the study of sport, culture and society. International in scope, it challenges us to reactivate an audacious spirit of activism through sport. Full of contemporary examples, it places sport at the heart of the analysis and is complemented by a new companion website providing a wealth of additional resources for students and instructors. This is a fundamental text for all students of sport and sets a new agenda for the field as a whole and society in general.
