College of Nursing

Application for NUR 7807 Field Study in International Nursing

- I. Assessment of eligibility: I, _____ (print name here), am NOT currently under advisement for academic probation and am not currently failing any courses. I am aware that students on academic probation and/or currently failing a course are not eligible to participate in the international nursing experiences. After this application is submitted if I receive failing grades in a course, I will notify Sandi Schultz immediately (sandra.schultz@villanova.edu).
_____ (student signature here)
- II. Please identify your first, second, and third choice for the elective by writing 1, 2 & 3 on the line in front of the corresponding site. If there is an international elective you **DO NOT** want to consider, please indicate by writing “no” on the line. Feel free to briefly identify why your first choice is your first choice if you have specific reasons. Forms with only a first choice indicated will not be considered.
- _____ **Japan**
- _____ **Poland**
- _____ **South Africa**
- III. All applications will be considered but preference will be given to Junior level students. If the elective course you specified is full and there is space available in one of the other elective courses, you will be contacted by faculty and asked if you would like to take the available elective. This will ensure as many students as possible have an opportunity to participate in one of these courses. Faculty references from 2 nursing faculty, one **must** be a clinical or lab faculty, must be submitted with the application. Please email the reference forms provided to the faculty and ask them to submit the completed forms directly to the submission box by the due date.
- Applications must be submitted by the date and time indicated in the informational email.** Applications with a signed first page should be scanned or sent as a picture and submitted via the following link: <https://www1.villanova.edu/villanova/nursing/programs/internationalstudy.html>
- IV. If you are interested in information regarding scholarship money, please see the Connelly-Delouvrier International Scholars Program at:
<https://www1.villanova.edu/villanova/nursing/programs/internationalstudy/connelly-delouvrier.html>
- V. Most years, at least 30% of the cost of the experience is covered by scholarship funds.
Do not apply for the scholarship until you are notified that you have been accepted as a participant in the course.
DO NOT ALLOW FINANCIAL CONCERNS TO DETER YOUR APPLICATION. PLEASE SPEAK TO SANDI SCHULTZ IF YOU HAVE CONCERNS ABOUT FINANCING.
