VIA 3020	Creating Social Impact	3

Students may also seek to have additional courses approved by the Global Health Minor Advisor. Consideration will be given to courses that correlate well with the student's identified area of focus.

***In course selection, it is the responsibility of the student to assure that courses are offered in the semester in which the student intends to take the course and that any prerequisites have been satisfied to enroll in a specific GHM elective course. Please check NOVIS for courses offered in a specific semester.**
