Notice to All Students of Availability of Annual Security and Fire Safety Report

This notice is being sent to you in accordance with the Higher Education Act, as amended, and the Pennsylvania Uniform Crime Reporting Act.

In accordance with those laws, the University is providing you with a copy of the 2017 Annual Security and Fire Safety Report containing information about the University's safety and security policies, crime statistics, fire safety policies and statistics, emergency procedures and the many resources available to the University community.

The report can be accessed on the University's Public Safety web site at:

<http://www1.villanova.edu/villanova/publicsafety/securityreport.html>

A hard copy is also available upon request through Villanova's Director of Public Safety and Chief of Police at 610-519-6982, who is located in Garey Hall.

Notice to On-Campus Students of Missing Student Contact Registration Capability

Villanova also has established a Missing Student Contact database, where *on-campus residential* students may register a confidential emergency contact to be notified in the event they are reported missing. Registration in the database is voluntary, but is strongly encouraged so that the appropriate person can be notified to assist in locating you in the event you are reported missing. The information provided is confidential and will only be used by University officials and police to aid in finding a student who has been reported missing or where disclosure is legally required.

The registration form may be completed online at:

<http://www1.villanova.edu/villanova/publicsafety/policies/MissingPersonsPolicy.html>

Thank you for taking the time to review this information and for registering an emergency contact. By working together, we can all make Villanova's campus a safer place to live, learn and work.
