How much are you requesting in this second round of hardship funding? \_\_\_\_\_

Please note: Applying for funding does not guarantee an award. Grant awards are subject to available funds and demonstrating to the University that the student incurred **eligible expenses related to the disruption of campus operations due to COVID-19**. To be eligible for Federal CARES Act funding, students must be Title IV eligible, as evidenced by completing the Free Application for Federal Student Aid (FAFSA) and have **specific expenses that are a direct result of the disruption of campus operations due to COVID-19**. These emergency funds can pay for expenses such as food, housing, course materials, technology, health care, and childcare. Additional funds are being made available to our students thanks to generous donations from Villanova faculty, staff, alumni and parents for those students who are not eligible to receive CARES Act funds.
