The following must completed after consulting with your advisor, and must be submitted to the Honors Director for approval BEFORE ADD/DROP IS OVER in the semester in which you propose to undertake your independent study project.

Please use additional pages as necessary and attach to this form:

- 1) A project proposal: Proposals must include a rationale, objectives, and description of the project; requirements to be met by the student; a summary of the preparedness of the student to engage the proposed study at a high intellectual level; and a statement which speaks to the expertise of the faculty advisor to direct the proposed project;
2) A tentative timetable for the semester, i.e. interim dates by which you will have completed specific tasks;
3) A description of your working arrangements with your advisor, e.g., will you meet on a regular basis, when are tasks completed, etc.?

At the end of the semester, please submit a copy of the completed course work on Blackboard.
