**ADDRESS AND/OR DIRECT DEPOSIT**
Address and direct deposit information must be kept current. You are required to contact the VA to update your direct deposit and if your address changes please contact your School Certifying Official. For chapters 30, 1606, & 1607 students can use WAVE system. If you want to start using direct deposit (chapters 30, 33, 35, 1606, & 1607) or change your direct deposit please call 1-877-838-2778 and provide the following information:
- Account number
- 9-digit bank routing number
- Type of account (checking or savings)

**eBenefits**
You are encouraged to register and utilize eBenefits to assist you in the following:
- Obtain up to date information on your educational entitlement
- Update your Direct Deposit and personal contact information
- Download VA letters and personal documents
- View the status of your payments (both education and disability)
VERIFYING YOUR ENROLLMENT
If you receive Chapter 30, 1606, or 1607 you must verify your enrollment monthly by Web Automated Verification of Enrollment (WAVE) or by Interactive Voice Response (IVR). The monthly verification of enrollment has not been added for Chapter 33 and Chapter 35, with one exception. Chapter 35 NCD students are mailed a monthly verification form (VA Form 22-8979).

IMPORTANT INFORMATION

YELLOW RIBBON PROGRAM
Villanova will fully fund the tuition and fees that exceed the VA tuition cap for the academic year for up to 40 undergraduate students, 10 graduate students, and 5 law school students for the 2020/2021 academic year.

Villanova’s Yellow Ribbon Program funds will be awarded to qualifying students on a first-come, first-served basis. To be considered, qualifying students must:

- Complete the online application for the Yellow Ribbon Program and submit an updated Certificate of Eligibility provided to you by the VA.
- Be enrolled in an approved undergraduate or graduate program.

Recipients will be selected based upon the date the application is submitted and when all conditions are met.

Students who have been approved for Yellow Ribbon funding will continue to receive the benefit, provided the conditions above are still met. You will not be required to submit a Yellow Ribbon application each term. However, you will need to submit an Enrollment Verification form each term you plan to use your benefits. Students will be contacted by Villanova’s Certifying Official (SCO) when they have been selected to receive Yellow Ribbon funds.

Villanova University funds its contribution of the Yellow Ribbon Program through the Villanova Grant Program. Because of this any student who is receiving Yellow Ribbon Program funds will not be eligible for Villanova Grants.

CHANGES TO SCHEDULE
Whenever you add, drop, or withdraw from a course the School Certifying Official must be notified. Changes in your credit hours may
affect your VA benefits. The VA will notify you if the changes in your enrollment resulted in a debt with the VA, you are responsible for paying back any debt to the VA created by your change in enrollment.

**AUDITED COURSES**
Audited courses cannot be certified to the VA.

**CERTIFICATION**
Your School Certifying Official will process certifications within 30 days prior to the start of term. It is recommended that you enroll early and submit your Enrollment Verification Form to the School Certifying Official. Any schedule changes may delay your VA benefits. The School Certifying official will make every effort to submit certifications to the VA in a timely manner. Despite this, the VA tuition payment will likely not arrive at the University prior to the tuition being due. The School certifying Official will annotate in your record that you are a VA education benefit recipient and tuition payment is expected from the VA. You will continue to receive an invoice from the Bursar as this process is automatic for any student who has a balance. You will not be accessed late fees or penalties while VA tuition payments are pending. If you have charges that are not covered by the VA such as parking or room and board, you will be expected to pay those when due.

**COURSES & DEGREE PLANS**
To utilize your VA education benefits you must be enrolled in a program that is approved by the VA for benefit use. The list can be found on WEAMS. Only courses that satisfy requirements outlined by your degree plan can be certified for VA purposes. If you take a course(s) that does not fulfill a program requirement, it cannot be certified for VA purposes.

**GRADUATION**
You are required to notify your School Certifying Official if you graduate.

**TRANSFERING PRIOR CREDIT**
Student who transfer to Villanova and wish to have previously earned credits evaluated for transfer should submit all official transcripts through the admissions process.

**REPEATING COURSES**
Courses that are successfully completed may not be certified for VA purposes. If a program requires a higher grade than achieved, that
course may be repeated. If you receive an “F” then you may repeat the course(s) for a second time, the course can continue to be certified until you successfully complete the course if it is still required for your program. However, repeat course fees cannot be certified to the VA.

ROUNDING OUT
You may use the “rounding out” method with non-required courses to bring your course load up to a full-time schedule in the last semester of your program. This procedure can be done only once per program.

UNSATISFACTORY PROGRESS, CONDUCT, AND ATTENDANCE
The law requires that educational assistance benefits to Veterans and other eligible persons be discontinued when the student ceases to make satisfactory progress toward completion of his or her training objective. The School Certifying Official has the right to terminate your certification if at any time you stop attending classes and/or end up on academic suspension. By terminating your certification, you will be responsible to pay any debt incurred with the VA.

DUAL MAJOR
Dual majors can be certified if both majors are approved. Only courses required to complete the dual major can be certified.

EDUCATION RATES

Chapter 33
To view current tuition rates, visit here. Monthly Housing Allowance payment amounts are based on the Department of Defense’s Basic Allowance for Housing (BAH) rates for an “E-5 with dependents” for the zip code of the school or extension campus. BAH rates can be found through the BAH calculator.

Monthly Housing Allowance amounts are prorated based on a student’s benefit level and may be further reduced based on the rate of pursuit rounded to the nearest multiple of 10. Benefits are only payable when the rate of pursuit is more than 50%, and the student is not on active duty.

CHAPTER 30, 33, 35, 1606, & 1607
The most current education pay rates for each benefit can be found through the rate tables on the GI Bill website.
Rate of Pursuit - Undergraduate Enrollments
For undergraduate enrollments, 12 semester or quarter hours are required for full-time training. The School Certifying Official submits the term dates and credit hours of the enrollment to the VA which will calculate the rate of pursuit.

For example, if 12 credits is considered full-time, a course load of 6 credits yields a rate of pursuit of 50% (6 ÷ 12 = .50), whereas a course load of 7 credits yields a rate of pursuit of 58% (7 ÷ 12 = .58). In this scenario, a Veteran would need to enroll for at least 7 credits (such as two 3-credit classes and a 1-credit lab) to receive the housing allowance benefits.

Villanova University offers classes in terms that are shorter than a semester or quarter. This is especially true for online classes and summer enrollments, in these cases, the VA calculates weighted "equivalent credit hours" so that fewer credits are required for full-time (and more than half-time) training.

When calculating monthly housing allowance, the VA will consider how many credits the student is pursuing on each given day of the term.

Rate of Pursuit - Graduate Enrollments
For graduate enrollments, 6 semester or quarter hours are required for full-time training. The School Certifying Official submits the term dates and credit hours of the enrollment to the VA which will calculate the rate of pursuit.

When calculating monthly housing allowance, the VA will consider how many credits the student is pursuing on each given day of the term.

PUBLIC LAWS

PUBLIC LAW 111-377
CH 33 changes the amount of tuition and fee charges that should be reported to VA. Any scholarship, waiver or institutional or employer-based aid that is provided directly to the institution and specifically designed for the sole purpose of defraying tuition and fees will be deducted from your VA tuition & fees and difference will be reported to VA.
