OUTDOOR RECREATION FACILITY GUIDELINES

- Masks are required **at all times** when using the outdoor recreation facilities, and must cover the mouth, nose, and chin.
- All users must use the provided hand sanitizer before and after using the courts. Avoid touching your face and disinfect any touched items.
- Users should maximize social distancing and limit the amount of time in close contact with others, as much as possible.
- Use of facilities is restricted to the following at any one time:
 - BASKETBALL: 2vs2 (no more than 4 at a basket)
 - VOLLEYBALL: 4vs4 (remaining on opposite sides of the net)
 - TENNIS: Singles or Doubles
 - SOCCER: 2vs2 (no more than 4 at a goal)
- Facility use is for Villanova community members only. Guests are not permitted.
- Daily symptom monitoring is required in order to use the outdoor recreation facilities. If you have any symptoms, **do not play**. Stay home and contact the Student Health Center.
- Please note with whom you are playing in the event contact tracing is required.
