***Departmental Updates***

The **Office of Disability Services** and the **Office for International Students** will become two distinct departments, although they will continue to share space in the upper level of the Connelly Center.

The Office of Music Activities has changed its name to **Student Performing Arts** to better showcase and describe their work in supporting students participating in artistic endeavors on campus.

***New and Open Positions***

Both of these roles will assist our Division with greater, more specialized support in meeting the needs of our Division and students:

- **Director of Finance and Administration**, who will help the Division maximize resources
- **Program Coordinator for Intercultural Affairs**, who will work with LGBTQ+ student outreach

We are also hiring for several open positions in the following areas:

- **Health Promotion**: coordinator to work with peer-led opportunities and other initiatives
- **Residence Life**: two area coordinators for residential management
- **Student Involvement**: assistant director to work with student organizations
- **Student Performing Arts**: part-time positions to work with performance groups
- **University Counseling Center**: staff psychologist with a focus on DEI-related concerns and a drug and alcohol counselor
