Pi Beta Phi

In October, Pi Beta Phi held their second annual Angels in the Outfield wiffle ball tournament. Greek and non-Greek organizations made teams for the event. The winning teams were Sigma Nu and Kappa Kappa Gamma. All proceeds from Angels in the Outfield went to First Book, an organization dedicated to providing new books to low-income children and their families.

Alpha Gamma Delta

The sisters of Alpha Gamma Delta had a great time crafting with the Special Olympics athletes in O-town on November 8th. We made fun popsicle-stick picture frames with the athletes as well as other Special Olympics supporters who stopped by. The sisters loved celebrating the athletes' efforts in their events at Fall Fest with them, and met several inspiring athletes.

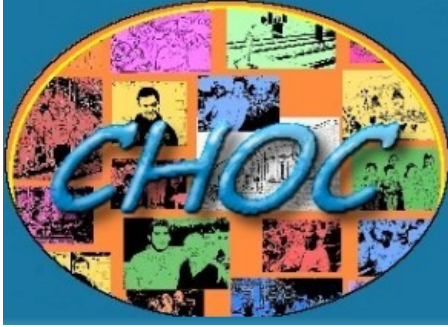

Kappa Delta

With Girl Scouts of the USA being one of Kappa Delta's philanthropies, the Eta Theta chapter at Villanova was so excited to host three events with the Girl Scouts this semester! Most recently, Kappa Delta hosted an event called "Free Being Me" which involved 200 Girl Scouts coming to campus and attending interactive workshops to learn about beauty, body image and the importance of confidence and leadership! The event was a huge success and the sisters of KD were proud to support girls of courage, confidence and character who make the world a better place.

Sigma Chi

During the past couple of weeks, Sigma Chi collected winter jackets to donate to the Coordinated Homeless Outreach Center of Montgomery County. There was a lot of support for the drive, and it was a very successful event. The shelter was very excited to receive so many jackets from the Villanova student body, as it is expected to be a very cold winter. Thank you to all who donated and supported the drive!
