

# ORIENTATION

**June 11, 2025**

*Villanova University and New Student Orientation will continue to send VU101 emails throughout the summer to keep you updated on important information and help prepare for your arrival. To view past emails, please visit the [New Student Orientation website](#).*

## **Wildcat Welcomes**

The Class of 2029 and their families are invited to begin building a network of Villanovans before you arrive on campus. Get to know the Villanova University community by joining fellow students, parents and alumni at a Wildcat Welcome in a city near you this summer! Visit [our website](#) to find an event near you.

## **Mail Services**

Resident students will be assigned a VU box number and campus mailing address that will be sent out in mid-July and should be used on all mail sent to campus. We will start accepting packages that have your VU Box number and official campus address starting Wednesday, Aug. 6 for pickup near your residence hall on Move-In Day.

## **For Students Who Don't Identify as Catholic: "How Can I Practice My Faith and/or Explore Spiritual Questions at Villanova?"**

Villanova's [Office for Mission and Ministry](#) provides students with many ways to connect and engage with the University's Augustinian Catholic mission, while supporting all students in exploring questions of meaning and purpose through their own faith tradition or ethical perspective. The [Center for Multifaith Ministry](#) offers an array of resources and opportunities to make sure you feel at home on campus, no matter your background. If you are looking to connect with others with a similar faith identity, explore new spiritual questions and practices, or get to know your classmates of different faiths, we would love to help you get involved! Please fill out this [Faith, Meaning and Values Survey](#).
