

# ORIENTATION

**July 3, 2024**

*Villanova University and New Student Orientation will continue to send VU101 emails throughout the summer to keep you updated on important information and help prepare for your arrival. To view past emails, please visit the [New Student Orientation website](#).*

## **Fall Schedule Update**

We know students are excited to discover their class schedule, Communitas placement and residence hall information. Over the next few weeks, we will continue to work on scheduling and housing placements. In early August, we will share your finalized schedule with you.

## **Registering with Learning Support Services or the Office for Access and Disability Services**

Students with a disability who need accommodations can register with Learning Support Services (LSS) or the Office for Access and Disability Services (ADS) by completing the [Online Intake Form through Clockwork](#). Check out the [LSS](#) and [ADS](#) websites for guidelines to complete the Online Intake Form and to learn more about what documentation is required. After students submit this form, either LSS or ADS will reach out to schedule an Intake Meeting to discuss the student's accommodation needs. Please email [LSS](#) or [ADS](#) with any questions.

## **Banking Options**

For families looking for a convenient banking option, the University's banking partner is JPMorgan Chase. Two Chase ATMs are located on campus—in the Connelly Center and St. Mary's Hall (in the St. Mary's mailroom area)—and a Chase branch is located in the Villanova Center within walking distance from main campus. More information on Chase services for students can be found at [chase.com/student](https://chase.com/student) or by [scheduling a meeting](#). More information on Chase branches can be found using the [branch locator](#). Students are not required to bank with Chase, and there are a number of other banking options available in the local area surrounding the University.
